There will also be offered for Sale at the sar

30,000 Acres of State Lands, known as Saline Lands, situated within an area of TERMS CASH.

The object in offering the above named State propriy at that time, is to enable the Commissioners complete the State University, Agricultural College and Lunatic Asylum at Lincoln. The Capitol Build-ing having been built from the proceeds of the pre-vious sale of lots. This sale of State property offers to the Farmers, Mechanics and Laborers, a chance for a cheap home at the Capital, situated in the rich-est Agricultural district of the State, and at the

where Salt is being manufactured from the sur own of the State. The Capital was located at Lincoln in September Churches and Schools. The Ligislature held its fip Session in the New Capitol the past winter.

The Burlington & Missouri River Entirond is bein rapidly pashed forward to Lincoln, and will by contract be completed early next session. This line will give direct communication with Chicago, and will be pushed out to Ft. Kearney, uniting with and becoming a branch of the Union Pacific R. R.

The Midland Pacific Rail Road has also the whole of its line under contract from Nebraska City I Liucoln, and will be according to the terms of its

contract, fully equipped and in running order by the INh of May next. This line is one of the links by which the Fennsylvania Central R. R. will react across the continent, completing as it will in a short time its connection with Nebraska City, and from Lincoln west to the Union Pacific. Thus Lincoln will be for a time the terminal point of two great thoroughfares, and eventually occupying a central position and two trans continental routes shorter sition upon two trans continental routes, shorter, from one to two bundred miles, than any other t constructed. The work upon the State University, Agricultural ollege and Lonatic Asylum is now being rapidly DAVID BUTLEB,
