## J. S. CHURCH, Editor.

THURSDAY, NOVEMBER 18, 1869. Official Paper of City and County

The Episcopal Church building in Omaha was burned down last week. It was insured for \$10,000.

The friends of the Q., M. & P. Rail road hold a grand mass meeting at Rockport on next Monday. Please recollect the day and time. Will the Democrat correct its error of last week in its announcement of the time and place of this meeting.

From the Nebraska City papers we a Democratic administration. Then able. morning ut Nebraska City, shot at try suffered because they did not re- ing resolutions, urging their adoption no investigation, but supposed that several persons on the Ferryboat. The last shot took effect by hitting Dick Johnson, the fireman, in the jaw, passing out near the ear. Soon after- ernment do not equal the revenue by are in favor of authorizing the city of and matter, having absolutely no con-

The increase in the amount of the assessment roll in Atchison county this year over last is near \$1,000,000. The increase of wealth in an old county like Atchison, the value of whose real and personal property has not changed materially for the last ten years, is attributable to the building of the St. Joseph and Council Bluffs Railroad. Facts are stubborn things, and furnish irresistable arguments in favor of building Railroads, even at heavy cost.

ly these were paid for in wheat, corn The General Assemblies of the Old and New Schools of the Presbyterian Church convened recently in Pittsburg; and after a separation of thirty they now receive from other sources, be taken in full pay for said stock at that he shall fall into the croaking, and so the country is drained of its years, have succeeded in harmonizing bonds and specie to pay for these fortheir differences, and hereafter will be united in their efforts to spread the eign goods, and as a consequence the persons be appointed by the chair, imperfections or omissions that may Gospel news upon this continent. money market is stringent, the price charged with the duty of circulating have been made, is entirely out of Norion STAND-Gospel news upon this continent. Skin or Bones, are treated with unparallelied success. Spermatorrhes, Sexual Debbility and Impo-tency, as the result of self abuse in youth, sexu-al excess in maturer years, or other causes, and which produce some of the following effects, as Nocturnal Emissions, blotches, debility, dizzi-ness, dimness of sight, confusion of ideas, evil forebodings, aversion to society of femiles, loss of memory and sexual pewer, and rendering marriage improper, are permanently cured. The Doctor's opportunities in flospital and private practice are unsurpassed in St. Louis or any other city. Back files of St. Louis papera, prove that he has been located here longer than any other so advertising. The establishment, library, laboratory and appointments, are un-rivalied in the west, unsurpassed anywhere. Age, with experience, can be relied upon, and the doctor can refer to many physicians through-out the country. In past access and present position he stands without a competitor.
