

The People Mean Business.

On Saturday last Brownville precinct voted on the proposition authorizing the County Commissioners to issue the bonds of the precinct in the sum of one hundred thousand dollars, to be subscribed as stock in the "Brownville, Fort Kearney, and Pacific Railroad Company."

The vote in the city was nearly unanimous. We have no fault to find with those who voted against the measure. It was their right; and we believe the most, if not all, who did so, were governed by purely conscientious motives.

On the 29th the city voters will be called upon to vote sixty thousand more to aid the same enterprise. The vote will be favorable by an overwhelming majority.
