RAMIR PLANT, -We are indebted to L. BRUCKNER, Esq., of New Orleans, La., for a dozen plants of Ramie, the new textile plant being cultivated in the South. The plants were rather dry, on arrival, but we hope to be able to make a few of them grow, and see what the plant will do in this soil and climate.

A. T. JAMES, Smithfield, Minnesota, sends a sample of Wild Goose Spring Wheat which has an exceedingly fine four pounds by mail \$1.
