J. L. Celhapp, Editor. THURSDAY, MAY 19, 1870.

A. D. MANGE, at City Book Store, and by C. A. Pol ock, at the Postoffice.

ON THE WING.

Sr. Louis, May 8, 1870. and got off of boat by 5 o'clock. Finding no conveyance, started to foot it up Market rating, of which we knew not the occasion till later in the day, when we learned it was "Buck Bier day;" the day when last year's brew would be opened and sold. For the time being it absorbed all the German at-

tention, and was in turn extensively absorb Monday we saw several teams, gaily lecorated, drawing bands of music about the streets, and a large be-ribboned and be-spangled Buck either in or on top the vehicle alwho, "kicked up a devil of a row just then," We threw ourself around a few of it, but rom a defective education, we suppose, fail

for the St. Louis Bridge, the immensity of ready to bid and do the work just as soon se which undertaking is hard to realize. The plers are to be built upon foundations resting upon the solid rock, which is in depth from to 110 feet from the water level, the greatest depth being on the Illinois side. The while the dirt is being constantly carried off ly would rather risk life than be dishonest We say heroes, for in battle, amid tumult on one, where marked bravery is sure to win

the bed of a river, for the paitry pittance of \$3 a day, with those above whose interest it is to hide the fact of your death from the public. it is truly another and graver aspect under which to brave death. He is truly a here worth a million of the gilded thieves who infest society. When the solid rock is reached the lower room will be filled with rock and cement, the upper portion will be raised with solid masonry. It is to be made wide enough for all railroad tracks necessary, also for a Hannibal & Saint Joseph Time street railroad track, for a highway for vehicles and passage way for pedestrians. When finished it will be one of the most complete Bridges in the world, and a source of pride and satisfaction to the citizens of St. Louis. The vote, last Tuesday, on the appropriation of \$5,000,000 to widen the streets approaching do much to beautify the city near the bridge. We then visited-in company with Alex-

ander Magee, foreman of the Model Departyard, and Henry Askemeyer foreman of the Rocky Mountains. Foundary, by whom we were shown around to our heart's content. This foundry covers over half of the block on Main street between Carr and Biddle. This is as complete a Machine Foundry as can be found in the west, doing absolutely all kinds of machine work is up and enclosed. They are determined to from the smallest piece to the largest and manufacture as much as possible here, so as most complicated engine. While there we saw the casting of a pump, to be used in possible, and at as low there as possible. A The Hotel Express train leaves at 4:15 every Thursday, and arrives at 11:15 every Sunday.

Except Sundays.

Paily connections made at Omaha with Chicago Rock Island and Pacific and St. Joseph and Council Bluffs Railroads, and Missouri River line of steemers for all points East and South.

Saw the casting of a pump, to be used in mining operations in Montana, weighing over 5000 pounds; it was decidedly the largest sucking apparatus we had ever seen, the barrel being 22 inches in diameter and 16 feet long, and several quarts mills were just being el Plows at Den's. finished up. It is an establishment that may be trusted to do any casting, small or great, with entire satisfaction to its customers. Friend Pilcher took us through Levison &

Blyth's Printing and Binding establishment; as complete an establishment as can be found In the city, and other places of note too numerous to mention. With him we viewed cy Groceries, and still more to their host of stood the test for seventeen years, and is Billey Emerson, doubtless a relative of our customers. They are splendld men to trade townsman, for he is about as comicle a de- with, and will do the fair thing. lineator of negro character as can be found. The Emerson troop are the best in the west, evidenced by the fact that even at this season

We saw the "Green Huntsman"-said to formed at the varieties. It is the rage just now. The leading features of this play are legs and gorgeous scenery, (the former preponderating,) poor acting and lots of dancing. The proprietors, in their kindness, have left but little in the anatomical structure of the ballot dancers to be guessed at, as their dresses consisted of three spangles and flesh colored tights. We see in this play a forcible reminder of the degeneracy of the present tive host of customers. He has, as usual a fine day. Where Stars of the first magnitude, stock of Ladles' Dress Goods, and has just resuch as Booth and McCreedy, Murdock, etc., fascinated the mind with histrionic scenes, thing, which, as usual, he is selling very low. water wag tails" now dazzel the vision, and the scene painter is the best artist in the theatre. Yet, the management is not to blame, sery raised Evergreens, for sale by R. W. Furfor it knows the people to whom it panders. We saw there but a few females off the stage. Yet, strange to say, they seemed to be famione thing we were forcibly reminded by these places of amusement, with their large doors danger our Hall is very poorly provided with two to five feet high, for sale remarkably
