The Herd Law. We hear many complaining over riety of opinions upon the effect it constituted with prayer.

Candlish, last Moderator present, and dress the Sabbath School. Report memories. This is done by advertisgible of the constituted with prayer. will have in this county. Many in- constituted with prayer. sist that it will drive all the stock out of the county, and that it will drive our stock growers and dealers, with it will discourage farmers from cultivating the hedge and that it will work D. Stewart, H. P. Peck, J. B. Long, and the church of Pawnee City should sixteen miles. In addition, it takes an irreparable damage to the prospects M. Hughes, T. H. Cleland, jr., D. be dissolved and that Rev. A. T. some seven millions of circulars to meet market rates of the county. Others, on the contrary, think it will foster the cultivation of the hedge; making cattle rais- Baird. ing profitable, and materially increase the real wealth of the State. We R. Meredith, A Emerson, - Congdoubt not that these parties are sin- er, Isaac Black, T. Officer, J. M. cere in their convictions, and that all Windsor, E. H. Sears, Thos. Rogers, invited to sit as a corresponding memintend to advance the public good, re- N. Axtel, W. W. Smith, M. C. Brygardless of individual preference. Practical experience is the best test by which to try our theories, by this Cooley. we may see whether our conclusions are to follow from the premises. In ty ruling elders absent. this county, Lafayette precinct, above all other portions of the county, has Presbytery is twenty-nine, and the had to contend with all the evils number of churches is forty-six. which we, and all the anti-herd law men, think so sure to follow its enforcement. Washington and Benton precincts, just as good for farming purposes, if not better, and just as large and the same distance from the and Rev. W. Edward Hamilton to river, have been strenuously opposed to any and all herd laws, and would do. have none of them. Now, when we are asked to account for the fact that Lafayette precinct contains two hundred voters, while both the other pre- whole matter was postponed indefincingte taken together, can hardly itely. count that many, we are forced to say the herd law has done it. When we ask why it is that Lafayette precinct the order of the day for 2 o'clock P. has ten miles of hedge fence growing M. to every one mile of such fence to be no good reason for this unless it be Missions, which consisted of Revs. the herd law which has been so strict- Wm. Hamilton, R. R. Westcott and ly enforced in Lafayette the past five E. H. Sears. mules than Lafayette assessment rolls, we are compelled to say, after all we hard law will drive stock out of the hard law will drive stock out of the Cleland in the councils of the state and manner. Have meaning an eagle's nest—the river of the eagle's nest. Near its mouth and a contiguous harber, long stood a conti country. Now, we are far from saying what may be good for the back live near the dividing line between dith. herd law and no herd law precincts. Still we believe the old herd law satisfied more men than does the newone. We are not of the number who think the herd law is attended with

the operation of the law. As great as are the supposed evils on either side, we fear far more, the bad effect of this uncertainty with which both sides are laboring under, and will until this matter is disposed of by either the commissioners or the people. It should be settled either one way or the other at the earliest possible moment. Many think our may be easily met and answered, then why don't they do it? We think this, the man who can, and does not is direlict in his duty to the public. There are many voters who care little upon this question, so the public interests are truly served, and facts as you say you have. Then tier, especially the counties of Sewsend them in, we of all men, would ard, Butler, Gage, York, Fillmore, be glad to see and read them, and &c., to organize churches. what is more, would be happy to make them public.

## Points in a Pig.

The following description of the "points" of a perfect pig is given by Forney's Weekly Press : Head and Ears .- The head wide in front; ears erect, and pointed forward; chops rounded, and well filled White.

Crest and Shoulders.—Crest wide, and rising well to the shoulders; shoulderblades well sloped back-Ribs and Loins.—Ribs well sprung, loins wide and slightly arched.

Hind-Quarters.-Hind-quarters not to slope, nor narrow, towards the tail.

Hams.—Hams rounded outwards,

Chest.-Chest wide, with elbows

down, straight, and well filled to the

Legs and feet.-Legs straight and small in the bone; feet small and compact.

Hair and Color.—Hair plentiful, bright and vigorous; color to denote

purity of breed.

Tail.—Tail entire, thick at root. and tabering.

Size .- Size according to the breed.

of the Cuban Republic, are on their ka City. way to Washington with copy of letter to President Grant, that was sent by Cespedes to King Amadeus comand women and children from twelve and that King Amadeus may be induced to put an end to them.
