LOCATION OF PERU.

Peru is situated on the west bank of the Missouri river, in Nemaha County, about five miles south of the Ctoe County line, and nine miles south-west of Brownville. Has a remarkably pleasant location, and bids fair to become a town of no little importance. It has a population of about 800. The State Normal School is located here, and some branches of business are well represented, but the trade carried on here is not up to the demands of the country. It contains many fine residences, and some good business houses. There are here two fine churches—Episcopal and Methodist: good District School House, one Steam Flouring Mill, two Hotels, one Livery Stable, five general Stores, two Drug Stores, one Hardware Store and Tin Shop, two Lumber Yards, three Blacksmith Shops, one Wagon and Carriage Shop, two Shoe Shops, one Bakery, one Harness Shop, two Paint Shops, two Meat Markets, two Agricultural Implement Houses, one Barber Shop, one Real Estate and Insurance Agency, two Brick Yards, lots of Clergymen, Physicians, Politicians, &c., but no Lawyer's Office nor Suloon in town. Peru is situated on the west bank of the Missour
