LOCATION OF PERU.

Peru is situated on the west bank of the Missouri river, in Nemaha County, about five miles south of the Otoe County line, and nine miles south-west of the Otoe County line, and nine miles south-west of Brownville. Has a remarkably plesant location, and bids fair to become a town of no little imporiance. It has a population of about 80. The State Normal School la located here, and some branches of business are well represented, but the trade carried on here is not up to the demands of the country. It contains many fine residences, and some good business houses. There are here two fine churches—Episcopal and Methodist; good District School House, one 'Steam Flouring Mill, two Hotels, one Livery Stable, five general Stores, two. Drug Stores, one Hardware Store and Tin Shop, two Lomber Yards, three Blacksmith Shops, one Wagon and Carriage Shop, two Shoe Shops, one Bakery, one Harness Shop, two Paint Shops, two Meat Markels, two Agricultural Implement Houses, one Barber Shop, one Real Estate and Insurance Agency, two Brick Yards, lots of Clergymen, Physicians, Politicians, &c., but no Lawyer's Office nor Saloon in town. oon in town.

THE OLD WAYS AND THE NEW. I've just come in from the meadow, wife, where the grass is tall and green; I hobbled out upon my cane to see John's new machine; It made my old eyes snap again to see And I heaved a sigh for the scythe I swung

Many and many's the day I've mowed, neath the rays of the scorching sun,
Till I thought my poor old back wenki break
ere my task for the day was done;
I often think of those days of toil, in the
fleids all over the farm,
Till I feel the sweet on my wrinkled brow,
and the old pain come in my arm.

It was hard work, it was slow work a swingin'the old scyths then; Unlike the mower that went through the grass, like death through the ranks of men; I stood and looked till my old eyes ached, amazed at its speed and power; The work that it took me a day todo, it done in one short bour.

John said that I hadn't seen the half who he puts it into his wheat, I shall see it reap and rake it, and drop it in bundles neat; That soon a Yankee will come along and set to work and larn, To resp it and thrash it, and bag it up, send it into the barn.

John kinder laughed when he said it, but I said to the bired men,
"I have seen so much on my pligrimage
through my three score years and ten,
That I wouldn't be suprised to see a railroad in the air, Or a Yankee in a flyin' ship, a going most There's a difference in the work I done, and

the work my boys now do; In a mowin' in the grass the old way, and

To think that I ever should live to see work done in this wonderful way! Old tools are of little service now, farmin' is almost play; The women have got their sewin' machines their wringers and every sich thing, And now play croquet in the dooryard, or sit

Twasn't you that had it so easy, wife, in days so long gone by;
You riz up early and sat up late, a tollin'
for you and I; There were cows to milk; there was butter to make; and many a day did you stand

A washin' my toll-stained garments, and ted?"

wringin' 'em out by hand. Ah! wife, our children will never see the hard has he to encounter? The triumph work we have seen. For the heavy task, and the long task, is now done with a machine. No longer the noise of the scythe I hear; the about neither principles nor men. If mower—there! Here it afar? A rattlin' along through the tall, stout grass with the noise of a railroad car.

Well! the old tools now are shoved away; Like many an old man I have seen put aside Hoffman, Hancock, nor Hendricks hereafter owned by me, be considered with only a crust; -When the eyes grow dim, when the step is weak, when the strength goes out of his arm. The best thing a poor old man can do is tohold the deed of his farm. There is one old way they can't improve, al-

refined from its dross; It's the way to the kingdom of heaven by the simple way of the Cross, SENATOR POMEROY INTERVIEW.

By men who heve studied, and studied and

worried till they died; It has shone, undimmed for ages, like gold

though it has been tried

ATCHISON, KAN., Aug. 4. Thomas Jefferson, whilom President, pronounced it worth a voyage across the Atlantic to see the waters protected. I go for cheap coal, sugar, break through the Blue Ridge at Har-coffee, and every necessary of life; per's Ferry. That was well enough and that is all the West demands." per's Ferry. That was well enough for his day. He never saw the Mississippi; and the country beyond was to his generation a terra incogni-

Mais nous avons change tout cela.

The wildernes has become a gardenthe howling desert a fruitful field. There are farms in Kansas that as much more attract the attention of intelligent travelers to-day than all er-who wants that? And yet civil the scenery of Virginia, as those in service reform, as advocated, propos-Jefferson's days attracted visitors es to do that very thing.
