We repeat the hope that at the assembling of Congress the Nebraska delegation will be found at their posts, and that their labors and efforts may be crowned with that success that has followed local labors at home among their constituents. Our direct eastern connection will be made soon. We have heard noth- ing recently in relation to the putting down of the iron on the Q. M. & P. R. R., from Brownville to Phelps. The road bed is ready for the iron; made so by the funds appropriated by this city, and the work ought not to be delayed longer. We are justified in saying further in relation to Brownville rail road matters, that we are soon to have a di- rect connection with the B. & M. R. R. at Hamburg. Iowa, which will be done by the construction of thirteen miles of road from the river bank op- posite our city, to that place. As soon as the vote on the Trunk railroad is taken in Otoe and Cass counties, which will be early in the present month, gratifying intelligence will be heard in connection with that enterprise. If "grass grows in the streets" of some localities we could name, that have "gone back" on their professed propositions to aid railroads, don't at- tach blame to the directors or busi- ness managers of the B., Ft. K. & P.	cartridge was fired by a drunken fel- low, who was practicing at a shooting gallery contiguous. The shooting caused a great sensation, and sym- pathy for the poor woman ranged high. Mrs. J. B. Berkley being on the ground and seeing that the strick- en woman and her husband were strangers, volunteered to receive them into her house, where they still are, but from whence the husband of to- day will, ere many suns, walk forth a widower. Somebody is responsible for this causualty, and we incline to the opinion that it does not wholly rest upon the lout who fired the shot. We learn that cartridges were fired at the same shooting gallery every day dur- ing the Fair. Where was the Sher- iff, who was Marshal and general po- lice officer of the grounds? There are cases and times in which careless- ness borders closely on criminality, and we look upon this as one of them. We understand that an entry was affected on Wednesday night at the Secretary's office at the Fair Ground, somewhat different from the entries being made daily during the present week at the same establishment. Somie person or persons unknown fareed a passage into the office and abstracted therefrom two bolts of blue ribbon such as the officers of the Fair	one long to be remembered by all present old as well as young. They have a lively Sabbath School out there and are doing a good work, sow- ing seed that will bring forth much fruit in time to come. May they not grow weary in well doing but when life is end. d may they receive the ap- plaud of well done thou good and faithful servant enter into the joys of heaven is our prayer. <i>Editor Advertiser:</i> <i>Editor Advertiser:</i> The Omaha papers announce the murder of George P. Belden, by an Indian, near Grand river in Dakotah Territory, and give what they call a brief sketch of his adventurous life. "Twelve years among the Indians," &c. The truth is, the Belden family came here to Brownville, in 1856, and George lived here, and at Nemaha City, until 1861, when he joined Com- pany C. of the 1st Nebraska volun- teers, and was with the regiment un- til February 1863, when he was dis- charged for disability, at Pilot Knob, Mo. He then returned to Brownville and regaining his health, enlisted in the 2d Nebraska, and was with that regiment at the battle of White Stone Hills. The 2d was a nine months regiment, and when it was disbanded in the autumn of 1863, Belden help-	A VALUABLE PAPER The meet- ing of the National Teachers' Asso- ciation held in St. Louis, last month, drew together a large number of the leading educators of the country, rep- resenting almost every State in the Union. Papers of great interest and permanent value were presented on various subjects, many of which, together with the discussions upon them, are given in the last number of the Journal of Education, thus, mak- ing this, one of the most valuable pa- pers ever issued. Teachers, School officers and others interested in this subject will find this journal a con- stant and valuable aid to them. Ad- dress, J. B.
