This war material was sent to Liverpool to be received prised Mr. Seward thereof, and the Oats and Hay will be at all times kept for ship was captured by our blockade-

The Prussian, as well as the Austrian Government, sold arms to Confederate agents, our Government nevwant it understood by the above that May be it was just that influence the arms selling business left me indifferent. No. I only bring the &c.; Soung bearing orchard; hedged al years in Detroit, and there had edited that business, to leave the old Republican party, and help our old enemies, a Michigan Senator had founded the the southern rebels, to a victory, in same, with the intention to educate a whose hands the German Governcolleague in Schurz, whose talents ment put tools, with which they batwould be of use to him, but whose tered down our German soldiers on influence could not hurt him in a the blood-stained battle-fields on the

T. CANISIUS. Aurora, July 28th, 1872.

There is no disguising the fact that the financial lights of the nation are solid against Greeley. The ideas of the old philosopher upon political economy are so at variance with common sense that upon his accession to

"We will frankly admit that we ourselves, although supporting Mr. Greeley, should be unwilling to subance. We have been strenuously combating his economic notions ever since we came into the arena of journcial wisdom, when in fact we have no faith in it whatever, and never had."

THE TRUNK RAILROAD AT ST. The St. Louis Globe, in speaking of the Trunk Rail Road and the probsbilities of commencing work by the

"With grading, bridging and delivery of ties between this and next early spring, and contracts made in Janfounder of a new party. To reach uary for iron for April and May de-that he had to break with his whole livery, a completed all-rail line could past, must call black what he had be put in operation from St. Louis to > Omaha, making connection with Un- 0 called white before, to conclude ion Pacific railroad by first day of Jufriendship with men whose principles ly, 1873. There are many advantages and character he equally despised. presented for the consideration of St. He did it. Now look around in all of Louis in taking hold of and helping Missouri. What has become of the the south or west side of the river it | to complete this road. Running on German influence? Where can you avoids all transfers by bridge or othind it, except in a few counties near-ly wholly settled by Germans? some seventy-five miles of transportation, as between St. Louis and Chicago. It becomes one of the great hollow nut, for a rotten egg! His ef- competitors for the vast trade of Neand all unite in saying that the charge by a return of Democrats to power, forts to found a party composed of braska and the whole northwest, renegades and his most bitter oppo- nearly all of which is being diverted to Chicago; this applies also to its in-fluence upon the trade of Montana, ed he was using others, and he is used. Dakota, Idaho, Utah and Nevada, If hatred and ambition did not both freight and passenger, to and from those territories. The Missouri | 2 Pacific railroad is deeply interested in 0 the consumation of this project, and the account between the Germans of that institution, in connection with our merchants and others seeking investment for eapital, should inquire | 5 whether this will not be a paying outlay, while it adds to the commercial expansion of our city."

> A War Prediction, Colonel R. W. Flourney, of Mis-

sissippi, the well-known ex-Confedetate and politician, writes, in a recent letter to the President and Republican campaign committee, to alarm the country, for we are stepping over the glowing cinders of the rebellion,

anteeing them a separate government. and through him they hope for war.
