HENRY WILSON. PRESIDENTIAL ELECTORS,

FOR REPRESENTATIVE IN CONGRESS,

THE RESULT IN THIS COUNTY. As to the result of the vote in this county between Furnas and Lett, we freely confess it was not as we desired, yet better than expected under the circumstances. For years past local feelings have had much to do with the vote in this county. In addition to his party vote, Mr. Lett had the benefit of Senator Tipton's special effort in this county-his home-to liberalize. What is known in this county politically as the "Majors' faction" has been intensely bitter toward Col. Furnas. The opposition has been unremitting and unscrupulous; leaving nothing undone or unsaid. All old personal piques or differences that have occurred within the past sixteen years have been hunted up and used. that in Brownville, Col.
