Live Stock. We note no change from our last week's re-

Hous. - This branch of the market is looking with a downward tendency, and we amicipate will still go lower. We would adbigh aspirations and most thorough Minick superintend the building of a good this year. We wish, as we did vise all farmers, who can do so, to held their choice lots : being a decline of thirty cents,

SHERP - Market dull and nothing doing,

SPECIAL NOTICES. offspring, including all the new discoveries never

-Stoves, furniture, iron and nails, ceries-much larger stock than ever with; still it is a book that must be locked up and ddress on receipt of 50 cents. Address Dr. WM
