constitutional bill, although it de- yearn for home. fested the bill and put off a much needed amendment, every one must admit was a conscientious act on the part of the Governor, and is not without justification. There is force in the argument that a disregard of the constitution upon any pretext, or a seeming disregard even, is a step taken which will render a wanton disregard of it more easy in the future. But we favor the view taken by many able lawyers that the people have already expressed their will in favor of a change of constitution. In accordance with the strict letter of the present, although such change has never been made. Why go through with the same formality again? But the matter has been now settled, and not. ## St. Louis Democrat IS AN ADVOCATE OF

Sound Republican Principles. An exponent of advanced thought and progressive politics, and a newspaper fully up to the requirements of the time as a chronicle of current events at home and abroad -the world's history, its commerce and its literature. It will be true to the mission of a great newspaper-seeking to teach the highest and best principles in polities, and to fill, as to all other departments within its columns, the

poet's measure of "A map of busy life.

Its fluctuations and its vast concerns."
