LAFAYETTE PRECINCT.

Facts and Figures—Lafayette Claims to be the Banner Precinct in Agri-culture and Stock Raising.

LAFAYETTE PRECINCY, April 11, '73. Editor Nebraska Advertiser. In taking the assessment of La fayette Precinct, I also took a few items which I thought perhaps would be of interest to the citizens of Sidney French has resumed the this precinct and county, and as you They start with a membership of thirpractice of the law in the office lately | have numerous subscribers in the pre- | ty-five. cinct, if you should deem the following statements, showing what the farmers here done the past year, of sufficient interest for publication, doso.

Lafayette precinct is six miles wide from north to south and nine miles long from east to west, containing 54 sections or 34,560 acres, having under cultivation 11,500 acres or nearly 1 the whole amount. There was in Rube Berger left for North Platte corn last year 5,464 acres or nearly } yielding 234,138 bushel, averaging 43 Dundas before buying elsewhere. bushels per acre; in wheat 2,522 acres, season. Oats, 1,123 acres, yielding goods and prices. Give her a call. per acre. The item of Barley was inbushels per acre, however. George making, and hair goods. Capital employed in Merchandise ........\$52,950 Wathan, of the Illinois settlement, Manufacturing.... 5,900 reports 62 bushels and 40 pounds of Value...... 14,820

barley from a measured acre and not Roy's. a very good year for barley either. The farmers of this precinct used 107,002 some corn the past winter for fuel instead of wood and coal, consuming only 14,240 bushels from the 1st day 212,405 of November, 1872, to the 1st day of April 1873, a period of five months or By Stevenson & Cross: 150 days, making an average consumption of corn for fuel of about 95 Union (Meals, Meals, 25 Cts.) Hotel

There are in the precinct 29 reapers, 4 heading machines, 6 threshing machines and more very much needed. The farmers are not very heavy on

assessors, and hence 'Squire Ebright fire insurance, having only paid out was taking his time; but the board of the past year \$175; a good chance out commissioners not postponing their here for a live agent representing a

The farmers have sold the past year 347,856 pounds of pork, averaging about 3 cents per pound, realizing the snug little sum of \$10,405.68. There are in the precinct, set out in orchards, 10,288 apple trees, averaging By Stevenson & Cross. 74 trees for each farm now under cultivation; 12,874 peach or over 93 peach

store, cheaper than can be found in trees for each farm; 2,264 grape vines or only a little over 16 to each farm. It is very strange that the farmers do not put out more grape vines; when grapes are the surest fruit crop we have if properly cared for: There are nearly 530 acres in forest trees, ranging from one year to 15 years old. There is in the precinct 456 horses, worth \$26,500 : 50 mules, worth \$3,570; for sale cheap by McCreery & Nickell. 1,537 cattle, worth \$33,410; and only 139 sheep. No wonder flannels are high and cottons all the go. 2,647 swine, worth \$8,000; 137 wagons, worth \$4,740; 90 dogs assessed, besides

the Dutchman's few that no person claimed. The assessed value before equaliza-
