THE CITY.

Ask your neighbors to take the ADVERTISER. We have splendid weather—days pleasant and nights cool.

To any person getting up a club of ten new subscribers, we will send the ADVERTISER free for one year.

Do not fall to be at the speaking next Tuesday evening. Gov. Roberts has no superior as an orator in the State.

Father Dennis, of Nebraska City, will preach in Brownville hereafter, we are informed, on the 3rd Sunday of each month.

Harry Dolan has just received a fine lot of gent's clothing, and now if you can't wait to have a suit made you may buy one already made.

Remember that Rev. Shockey will preach in the court house on Wednesday evening next. Give him a good audience—he is an able speaker.

A gentleman by the name of Dr. Freeman, of Illinois, we understand has been chosen to preside over the Normal School at Peru. He will not take charge of the school until the expiration of the present term.

The Choral Union will meet next Friday evening at 7 1/2 o'clock in the Presbyterian Church. A full attendance of the members is desired, and a cordial invitation is extended to all lovers of music in our city to become members of the society.

It is conceded everywhere that the ADVERTISER has no superior, and very few equals, as a weekly paper, in the State. We spare neither labor nor expense to merit this good name, and respectfully ask our friends in the country to help us enlarge our subscription list.

"Jim Bus," since our last issue, has left the Star Hotel, and opened up a restaurant and boarding house immediately west of Carson's bank. Jim and his wife know just how to run that kind of a house to give "general satisfaction." His table will be first-class all the time.

The display of goods to be seen in Mrs. Berkeley's show windows is splendid. Stop at the corner of MePherson block, No. 66, and take a look. Each window is a magnificent little millinery store. But if you want to see fine feathers, and ornaments, and everything beautiful for the ladies, that we don't know the name of, just walk in. Mrs. Berkeley has a splendid stock for the fall trade.

We took a horseback ride down to Nemaha City last Thursday evening, and found Biri Hoover just receiving and opening a very large and splendid stock of fall goods of all kinds and varieties. He is going to keep himself supplied with all kinds of goods suitable for his trade, and sell them cheaper than anybody else for ready pay, and on no other terms. Biri has his large store room and ware room literally crowded with goods now, and his trade is extensive and lively.

Brownville Division No. 19, S. T., elected officers for the ensuing quarter, on last Friday evening, as follows: W. P. G. W. Fairbrother, Sr. W. A. M. Emery. R. S. B. F. Saunders. A. R. S.—Miss Georgia McClary. F. S.—E. M. Lippitt. T.—Adair Adams. C.—Albert Smith. A. C.—Miss Mary Clark. Ch.—A. W. Lemon. I. S.—Miss Ada Smith. O. S.—Lee Zook.

We fill most of our first page this week with matter pertaining to the Southern "White Man's League." We do so because it is very interesting reading to readers generally, it gives much reliable information on a very important subject, and gives a good idea of the proportions and aspect of treason. Those who were ever good and true Republicans, and loyal at heart to their country, after being fully advised of the condition of affairs in the South, will not forsake the party now, but become well satisfied that the work of the party is not yet finished, nor will be until every citizen of every State is secure and safe in person or property wherever he may be or locate in any State of this Union.

—Heavy rain last Saturday morning. —Considerable rain fell here on Friday last. —What has become of our Peru item writer? —"The Boys of Company C," reached us a little too late for this issue. It will appear next week.

—The State Fair, at Omaha, commenced on the 29th ult., Tuesday, and will conclude on Friday the 2nd inst. —Republicans, turn out to the meetings appointed in the various parts of the county. Old Republicans should not sleep at their post.

—While you are in attendance at court call in and see the ADVERTISER and subscribe, and give your family the benefit of a good local paper. —The Omaha Republican says that an anonymous friend of the grasshopper-stricken sufferers, has presented one hundred sacks of flour to the Omaha Relief Society.

—We would like to receive itemized local news from every post office in the county. Who will accommodate us and at the same time help their own locality by advertising it? —We notice while in the country that some fall wheat has been planted, and that it is coming up and growing finely. Our recent rains are all right to give the wheat a vigorous growth before winter sets in.

—We would like to know what Gov. Church says that independent fellow across the way for his puffs, and whether it is more or less than 10 cents a line. Church ought to pay him something for he always looks hungry. —Dr. Converse delivered the address at the recent District Fair held at Lincoln. If his agricultural speeches are no more reliable than his railroad speeches, the people down this way couldn't be induced to take any stock in them.

—Rev. W. P. Shockey requests us to announce that he will preach in the court house in Brownville, on Wednesday and Thursday evenings, October 7th and 8th at 7 1/2 o'clock. Subject on Wednesday evening, "Thief on the Cross." —The Republican county central committee met last Saturday. G. W. Fairbrother was elected chairman of the committee for the ensuing year, and A. R. Davidson Secretary. The members brought encouraging reports for the ticket from all parts of the county. Let every Republican work earnestly and honestly for success, and all will be well.

—Rev. W. P. Shockey writes us that he suffered some "religious persecution," on the night of the 16th ult., in Blair, Nebraska. While steeple preaching the city marshal arrested him for being instrumental in obstructing sidewalks. He was, however, permitted to finish his sermon. Next morning he appeared before the police court when the Judge, J. T. Davis, discharged him at cost of prosecuting witness. —The Republican county central committee met last Saturday. G. W. Fairbrother was elected chairman of the committee for the ensuing year, and A. R. Davidson Secretary. The members brought encouraging reports for the ticket from all parts of the county. Let every Republican work earnestly and honestly for success, and all will be well.

—Hon. H. M. Atkinson took a hasty trip to Omaha and Lincoln last week, and returned on Friday. He says so far as he can hear or form an opinion, the Republican ticket is all right throughout the State. —Mr. Jno. H. Shook, Republican candidate for County Commissioner, called on us one day last week. John having never run for office is a very modest electioneer, but then he can and will beat Styles clear out of sight.

—Jacob Gergens, the man whom report said was hung some time ago by a mob in Richardson county, was in the city yesterday. Jake says he now has his mill in that county ready for business, and that Henry Kneifer did the work with his little hatchet. —Our much respected fellow-citizen, Dr. F. G. Holmes, and family, started for Waterbury, Ct., on yesterday morning. They intend to be absent for about six months. The Dr. has business in the east which demands his attention and presence. We wish Dr. and his family a happy visit and safe return home.

—It will be seen by notice elsewhere that the firm of A. H. Gilmore & Co. is dissolved. Mr. H. C. Lett having bought Mr. Gilmore's interest. The style of the new firm will be Gibson & Lett. This firm will be a strong firm; and as they say in their notice that they intend selling strictly for cash, good bargains may be expected. —Capt. Polock, Judge Still, Mr. Bailey and myself attended the Republican meeting at Peru on Tuesday night last. As our paper is about ready for the press we cannot give a detailed report of the speeches made, of what and whom we saw, &c., which we would like to have done did time and space permit. The meeting was addressed by Still, Polock, Bailey and Bill Daily, each making short and pertinent speeches, which were well received by the respectable audience. A general good impression was made, and if we are not greatly mistaken Peru will roll up a handsome majority for the whole Republican ticket. —Wesley Dundas, who was appointed a member of the Republican county central committee, addressed a card to the committee at its last meeting, stating that "while the Republican party of the State maintains its present attitude on the temperance question he did not wish to be a member of the committee or to be held in any way pledged to the party." Mr. Dundas was therefore excused from serving on the committee, and his place was declared vacant, and Mr. S. Cochran was placed on the committee in the place of Mr. Dundas, from Douglas.

—Johnny Smith, the barber, has left the city with his shop. We are informed that the hour of his departure was about two o'clock last Sunday morning. Why he selected so early an hour for making his exit we do not know. Perhaps he wanted to make a big day's march. Johnny is a good barber and we always thought he was a gentleman when he let whisky alone. A barber who is in the habit of being drunk ought not to be patronized. —'Twas night—'11 o'clock probably. The mechanic had closed his shop, the merchant his store. The good father and husband had gone to the bosom of his family. The loungers on the corners had all gone in to take a drink, as the last chance for the night. The lights of the city were put out, excepting here and there one to guide the belated traveler to a tavern, lively stable or saloon. The quietude which reigned at the time of which we write would have been supreme had it not been for the gentle murmurings of Missouri's muddy waters, the chirp of a wild goose on a distant sand bar, and the solitary tramp, tramp, of a No. 9 boot as it tramped on into the suburbs of the city. Then the wild goose placed her head under her wing and was still, the waters of the Missouri rolled on as ever—to New Orleans, and the man with the No. 9 boot stopped; and then he might have been seen stealthily approaching a back door. Then a gentle rap, rap—a woman in dishabille thrusts her head out and demands, "What do you want here, sir?" "I want to come in a leedle bit," says he with the No. 9. "I wants to see you. I heif got two dollars." "No you wont, sir—you git right away from here now—runnin' time of night—or I'll smash you into giblets with this 'ere mop." And he got away from there in a hurry.

Oats wanted by Stevenson & Cross. L. Lowman's stock of flannels, water-proof cassimere and jeans is larger than ever. —MIXED FEED: For sale at Lockwood's. L. Lowman has returned from the east with a large stock of men's, youths' and boys' clothing.

Baily, returned from a business trip to East Tennessee on Thursday last. —Gus Moore, we are gratified to notice, is installed in his old quarters as clerk at Hill's. —F. R. Sykes has charge of the city photograph gallery. See his advertisement in this paper. —John A. Ponn will start for St. Louis on Sunday next to purchase his fall and winter stock of goods. —F. E. Johnson returned home from the east on Sunday last. He bought an immense stock of goods while absent. —Geo. B. Moore is now editing the Granger. Moore is a Bourbon Democrat of the old Kentucky school.

—Mr. and Mrs. J. B. Hoover, of Nemaha City, took a drive up to Brownville on Wednesday evening last. —Tom Shurts went up to Lincoln last week and returned home on Monday. He brings refreshing news with regard to the Trunk R. R. —Benton Aldrich, of Washington precinct, called on Friday last and paid for another year in advance. He says he can't do well without the ADVERTISER.

—Gone to Omaha to the State Fair, Jno. L. Carson, H. C. Lett, W. H. Hoover, H. M. Atkinson, Theo. Hill, Ted Huddart and Ben. Rogers. All went up on Tuesday. —We understand that Mr. Price Democratic candidate for District Attorney, of whom Mr. Broady writes so favorably has withdrawn from the canvass, and will not be a candidate. —Stokes and Church Howe were in town on Monday. They very much resembled disappointed and defeated office seekers. They immediately called on Jim Stevenson for consolation.

—Stetson L. Swan, an old and honored citizen of Brownville, departed this life on Sunday the 13th day of September. He died at his old home in his native State, Lee, Massachusetts. —The business will continue to be carried on purely on the cash system by P. H. Gibson and H. C. —See "Bids for Forage, by A. J. Perry Qr. M., Omaha. —Capt. Jno. S. Minick and lady, of Aspinwall, paid a visit to our city on Thursday last. —The Independents commenced their speech making tour at Peru on Monday night last. The Republicans followed them the next evening. —George Hodkin, who resides near Nemaha City, came to town on Wednesday morning of this week with a load of grain. While at one of the ware houses on the levee his team which he had left for a moment became frightened and ran away. They came up main street at a fearful rate of speed, and ran into the team of W. H. Loranx which was hitched in front of Carson's bank, killing one of Loranx's horses almost instantly. The wagon tongue penetrated the body of the horse, just forward of the flank to the depth of twelve inches or more. They then turned across the street, and went on to the pavement, up which they ran 'till attached to the wagon, until they got in front of Pascoe's meat market, where a wheel caught on a post and stopped the terrible race. There were many persons on the street but fortunately all managed to get out of the way without hurt. Mr. Hodkin, of course, was very sorry for the killing of another's horse, and proposed to make Mr. Loranx whole. Three arbitrators were chosen by Hodkin and Loranx to say what pay Loranx should receive, and they gave him a nice grey horse, which Hodkin, in the goodness of heart, had previously offered from his team. —District Court for this county will commence on next Monday, 5th inst.
