One of the results of the semi-succession to power of those who were so lately engaged in en- A. D. 1878. deavoting to tear down the Government, will be to unite and cement the loyal element of the country. The Republican party, when in power to State of Nebraska, Nemaha County re do what it should have done, made a grievous mistake when it failed to punish traitors, and render treason odious. This mistake has long been TO TAYLOR COOK, non-resident deken obvious, and will be more so before the close of the present congress. Mark the prediction! The Republican minority in the House however. is of such character that the country need fear nothing beyond an exhibition of the prevailing spiritof the majority. The governing power, numer- will be taken against you for the about ically, of the House, are of scarce medium calibre, and without experience, while the direct opposite may be said of the minority, or Republican side.

The principal movements this session, will be upon the political chess- The owner can have said calf by provin board, where ability, skill and tact is property and paying charges.

MARY E. BERG more important than mere numerical strength. Upon the whole, great good will result from what some Re- Delinquent publicans considered defeas. There will be no "Liberals" after this winter. Then again, there is now more of a "split" in this "Democratic majority" than has ever been in the Republican party since its organization. The south gobbles everything. Virginia and Texas take the loaves, and the north is forced to accept the mere to the Tax-Payer, and if collected by distrecrumbs that perchance escape the eyes and sale of personal property the same co of those who once and so long, before Sam's tables, but have been fasting unity," nor is it at all "like the prec- given ious ointment which ran down on the beard of Aaron." There is "weeping and gnashing of teeth" amang the northern Democrats, and they refuse to be comforted," in Biblical parlance. So look out for "fun and feathers."

The Commissioner of Pensions, Hon. H. M. Atkinson, of your town, familiarly known as "Henry," here, as at home, is still winning "golden opinions" from all with whom he comes in contact. No public officer here has ever shown more of a disposition to accommodate and fully per-Mr. Atkinson. He spends more man in his, or any other Department
