Correspondence.

Most godlike, grand and holy."

SHERIDAN, NEB., April 7, 1876.

It is said, and correctly said, that the county of Nemaha has bought and paid for the ground on which the present court house stands. I wonder how much the county paid for that narrow strip of ground, 22 feet wide by 128 feet deep, and what did Brownville ever give towards buying land, or

helping to build the court house? PLOTTS' STAR ORGANS Do the people of Nemaha county actually know that the proprietors of Sheridan deeded to the county a whole Send for catalogue. Address, EDWARD block of ground, 300 feet square, with 80 foot streets running all around it? Well, such is the fact, and that block of ground is worth at this time one thousand dollars, the way lots are the present one in case the county time there are about 300 owners in Sheridan lots ready to help build up One writer has said : "If the coun-

fairly and honorably." So we say, Then we are agreed on that point. We propose to show that the county seat ought to be moved. I will here say that not a man in the county but desires, if anything can be done to check the downward course of trade. and build up the general interests of the county, that it ought to be done at cline of trade and dullness of business in our town may be attributed partly to the large amount of the trade of our county going to other towns in the counties around us. While the other towns are all life and prosperity, we envious powers have wrought impos- are at stand still and are going backwards. Why is it thus? Your answer is that they have their own trade and a fair share of ours. Is there a remedy? We think there is. Place WIND MILLS, PUMPS, &c. the county seat at the best practicable point in the center of the county, concentrate all the trade of the county to our towns. Induce all the capital to stop here you can. Encourage manufacturing and it wont be many Kearney R. R., and the extention of
