Hard Times-Crop Prospect-Nebras ka Farmers Admonished to Take Care of the Corn-Political.

WARSAW, Mo., Aug. 6, 1876. Editor Nebraska Advertiser: During these universally stagnant

and depressed times it is but natural, perhaps, that we all think that "with us"-"in this place"-times are harder than anywhere else! While there may be "variations," to use a slang phrase, the "good times" of which we once all boasted, are not now to be found anywhere! You think in Nebraska-in Nemaha-In Brownvillethat times are duller, business more stagnant, crops poorer, prices lower, people more discouraged, and the general out-look darker, than anywhere else! You don't know anything about it! Go from home. See and "rub up against the world" outside for a time. and you will find it to be a fact, that twenty places and localities are worse off to where you will find one better. Nowhere in all the broad land are such crops to be found as in Nebraska this year! Take care of them! They will all be needed elsewhere. During the past three weeks I have traveled through the counties of Atchison, Holt, Buchanan, Dekalb, Davies, Livingston, Linn, Macon, Randolph, The Normal Institute at Peru com- Audrian, Boone, Gallaway, Cole, menced Tuesday, August 15th. It is Manitau, Morgan, Cooper, Pettis, hoped that many teachers will take Johnson, Henry and Benton counties, the advantage of the opportunity of Missouri, and with the exception of Atchison and Holt, I have not seen as The Institute at Hastings was very much good corn in all the trip, as can well attended-over eighty teachers be found in a single county in Neand county superintendents were braska!
