Spring wheat is but a trifle, if any over one-half an avarage yield, leav- ing a shortage of 70,000,000 bushels of the entire erop of America, calling the average yield 300,000,000 bushels for the past four years. The quality and condition is excellent beyond question.	Tycoon Reps, &c., &c.	of July, 1876, is past and gone. Also, be it remembered that
The old s'ock now in store in New York, Chicago and Milwaukee, amounts to about 5,000,000 bushels in round numbers. The stock remaining back is variously estimated at from 1,000,000 to 3,000,000 bushels in Min- nesota. It matters not whether it be six or eight millions lest of the old stock, it is fast[going]ibto'consumption -the millers converting it into flour for which there is a goo-1, healthy demand, with a fair living profit— something we haven't had for many months.
