THE COUNTY FAIR TO BE HELD OVER SATURDAY.

Because of the inclemency of the weather the first day, it has been decided to hold the Fair over Saturday. The time for the reception of articles will be one day later than announced in the premium list.

By order of the board, R. A. HAWLEY, President.

New lot of Hannibal Flour received to-day by F. D. Muir.

New lot of Foster McCoy, of Pawnee City, are visiting friends in this city.

Sunday school concert at the Presbyterian church next Sunday night—all are invited.

Go and see and hear "Everybody's Friend," at McPherson Hall, Thursday evening.

Thanks to W. S. Clark, of Centennial Guards, for late New York and Philadelphia papers.

"Everybody's Friend"—a rich drama, at McPherson Hall, on Thursday evening. Go. Admission only 25 cents.

Mr. Lowman returned from his trip to the eastern cities on last Friday. He brings with him a splendid stock of goods.

Strangers attending the Fair can spend a very pleasant evening by going to the dramatic performance on Thursday evening at McPherson Hall.

The Blake Dramatic Association will give one of its most pleasing entertainments on Thursday evening of this week in McPherson Hall. Admission 25 cents.

We noticed Dr. Hanlin, of Falls City in the city on Monday. We learn the people of Falls City are nearly crazy to make the Dr. State Superintendent of schools.

B. Savell left with us this week a specimen of grass wheat which is hard to beat. It weighs 68 pounds to the bushel, and measured 49 pounds to the acre, from the machine.

The Douglas county delegation to the State Convention are Silas A. Strickland, Charles Banks, W. A. Geyer, Paul Vandervoort, I. S. Hasell, C. H. Dewey, J. J. Moore, W. T. Kelly, Gen. M. O'Brien, W. B. Peyton, E. K. Long, Wm. Coburn, Geo. S. Martin, Pat. O'Hawes.

Mrs. A. D. Williamson, of Denver, and her daughter, Mrs. Mahar, has been sojourning amongst their friends of this city for a couple of weeks. Mrs. W. will return to Colorado soon, and her daughter, who has been very sick, will visit friends in Chicago, as soon as she recovers.

Dr. Louis Moll, of Hanover Kansas, arrived in this city last Thursday, and started on his return trip on Monday of this week. Misses Florence and Hattie Smith accompanying him. The Dr. is a cousin and was the guest of Mrs. H. Smith of this city. He made the visit to see Ada and George married. The Dr. gave us a pleasant call, subscribed for THE ADVERTISER, and we were much pleased to make his acquaintance.

Mr. Lange, the agent of the Nebraska Railway at this place, authorizes us to say for the accommodation of persons who desire to attend the Fair this week from Peru, that a special train will leave Peru at 9 o'clock Thursday and Friday mornings and return in the evening starting at six o'clock. We presume many will avail themselves of this very convenient, pleasant and cheap way of attending the two last days of our County Fair.

Our County Fair opened on Wednesday. We go to press early on Wednesday and cannot make much of a report; but there appears to be much interest taken, many entries are already made, and the general indications are that the Fair will be a success. On Tuesday it rained lightly nearly all day, but on Wednesday morning the weather had cleared, with pleasant north-west breeze, and the appearances are that we will have good weather and all a pleasant and profitable time.

Mr. T. Paul Morton of our town who is a sufferer from chronic disease of the eyes, has through the efforts of T. L. Schick, Esq., as his attorney procured a pension from the government at \$10 per month since August 1st, 1865, and \$18 per month since June 1st, 1876 making an arrearage of \$1,100 and continuing at the rate of \$18 per month. His application has been pending for six or seven years, and has been in the hands of several different attorneys, but owing to the improper presentation of the case was not allowed until it came into the hands of Mr. Schick, and the mistake was corrected by him.

Mr. Morton is needy and deserving, and will bless and vote for the Republican party which remembers the soldier and sailor who sacrificed health or limb on the altar of their country. The gratitude and sympathy of the rebel horde which votes for Tilden and reform is pretty uncertain to the soldiers who are dependent on the government for support. No Union soldier can afford to vote the Democratic ticket.

NEIGHBORHOOD NEWS.

Do your duty and vote for Hayes and Wheeler. The festive hopper still remaineth in the land and prepareth for an abundant progeny next spring. Our coming legislature should provide some means whereby a united effort for the destruction of the young hoppers next spring can be made.

The election days are come, The noisiest of the year, When politicians pluck your sleeve And lead you off for beer.

Your correspondent has been sorely puzzled over the problem of how a Sunday school superintendent can conscientiously pray for the proper training of his flock, and then advocate the election of a perjurer to the highest office in the gift of the people.

Yours, VAN WINKLE.

Nemaha. Hayes and Wheeler Club met on Thursday evening last and listened to the reading of Gen. Logan's speech, noting the addition of eight names to the roll, making in all 50 names, and adjourned to meet Thursday evening September 21st, when an address will be delivered by Hon. J. S. Church. On Thursday evening September 23rd Ex-Governor Furnas will address the club. All are invited to attend and hear the above speakers.

The Good Templar supper on Monday evening last, was well attended. An interesting programme of vocal and instrumental music was well carried out, especially so on the part of the Excelsior brass band. G. W. O. T. Lake was reported sick and unable to attend. Judge Church addressed the young people for the space of half an hour, giving some good, wholesome advice. All seemed pleased and satisfied with the evenings entertainment.
