The next national House of Representatives is calculated to stand as follows: Democrats, 147. Republicans, 143. The Democratic majority in the present House is about 73-reduced to 4 at the late elections. By the way, how about that Democratic victory?

If Hayes loses one vote in Oregon, on account of the ineligibility of one of the Electors, upon the same account Tilden loses one in Missouri and one in New Jersey, leaving Hayes two votes ahead instead of one. both ways."

In a recent sermon Henry Ward

Beecher said: "When South Carolina plunged the nation into war she established that She says it is a wind from the North; I say it is from above, from the seat of justice."

The Supreme Court of Florida has ordered the State Canvassing Board to recanvass the vote according to the face of the returns, and report the result to the court. If this is done it will not change the result regarding Presidential Electors, as the face of the returns show a majority for the Hayes and Wheeler Electors.

Senator Hitchcock has introduced a measure allowing Nebraska another Congressman on and after the 4th If we could have had 40 acres of such stories of the Bec. the House-the parties will be too nearly equally divided for the Democracy to do anything that would add to the strength of the Republicans, regardless of the justice of the

A resolution was recently introduced into the lower House of Congress instructing the judiciary committee against the resolution, and all the Republicans voted for it.
