- The "Blakes" Tuesday evening.

- The Rockport (Mo.) Journal says a mad dog was killed in Rockport last week: that farmers are waging sucreasful warfare upon the grasshoppers; that a tramp was killed last week while stealing a ride on the cars at Pacific Junction; that a continuous side walk is being put down between Main street and the court house.

- Thinking that possibly some of our readers don't know all about what's good, we copy the following from the St. Joe. Herald :

Col. John Pinger and Tom Moorby, Will tune your Pianos, and guarantee with a few invited friends, had a most palatable lunch yesterday on three hundred and odd craw-fish, captured by them on the previous afternoon. George Hauck attests to the lusciousan able-bodied man can easily master a bushel-full of them.

- Commissioner Shook has bung up in our office a specimen branch, out from a Transcendent Crab tree on his premises at Hillsdale. It is literally loaded with good sized, healthy fruit; and he says the whole tree, which is about twenty feet in height and eighteen feet through the top, is loaded in proportion. He estimates that there will be from fifteen to twenty bushels of fruit on the tree if It sipens as it now promises well to do.

- "Above the Clouds," Tuesday evening, the 12th inst."
