THURSDAY, JULY 12, 1877.

The death of the Pope of Rome ! again reported.

The Russian bear hasn't swallowed the whole Turkish army yet as any one is aware of.

Becretary McGrary visited Leavenworth on on the 5th, and was the guest of Gen. Pope. Hedeclined any public reception.

General Mata, of Mexico, who is Washington seeking recognition as Mexican Minister, recently held an interview with Secretary Evarts, which was mutual and pleasant.

The Greenbackers of Wisconsin held a convention at Portage on the 4th, with a large delegation, from all parts of the State. Hon. E. P. Ellis, of Milwaukee was nominated for Governor.

The State Journal has a lengthy article on Bruno Tszchuck, Secretary of State, the gist and definition of which is that Mr. Tszchuck is an ass. Just what we have thought for some time.

The town of Pensaukee, Wisconsin, was utterly destroyed by a tornado on Saturday the 7th inst. Eight or ten persons were killed in a large hotel blown down. Pensawkee is a summer resort for trout fishers.

One of the virgin Sisters of the St. Mary's Nunnery, at Lafayette, Ind. recently had a baby. It was tried to be kept secret, but the fact leaked out in some way, and Lafayette is deeply agitated over the scandal.

The matron of the Soldiers' Orph-

Senator Jones, Chairman of the Silver Commission, has nearly completed his report. He takes strong grounds as was expected in favor of the remoncharacteristic of mining life to always etization of silver. As to the payment act of 1870 is the contract upon which all subsequent loans have been issued. FAMILY GROCERIES, TEAS, stipulates that they must be paid in the coin of the United States ofstandard value at that time, so that whatever legislation might subsequently be had which should depreciate the value of gold or silver coin, it would BAWKINS be the duty of the Government to pay in gold or silver at the standard value in 1870, even if was obliged to strike new coin of the lawful standard val-
