AN OPEN LETTER. To the Farmers of Nebraska and the West: Just now more than half the farmers are looking about to see where they can get the best combined reaper and mower at the lowest price, on easy terms and low rates of interest. A little caution will prevent a mistake. The Marsh No. 4 is a double rigged combined machine. Self-rake, furnished with an extra drag bar and mower bar, which gives the purchaser, in fact, two machines-a complete mower and a complete reaper. The

It is light draft-having very high driving wheels.

It has no gearing in the drive and well. wheels, to clog up with dust and mud. It is easier changed from a Reaper to a Mower than any other.

It has all case hardened bearingsno Babbitt boxes.

It has no springs, switches or straps to get out of order. It is almost entirely made of cast and wrought iron.

It has no wooden finger bar or frame to warp or shrink. It is the only two-wheeled Reaper that can cut very high or very low,

team to make a change. It has cold rolled iron finger bar, have entirely cured my sick headache,
