I suff ed terribly: I could not rest day or night: I wa ered terribly: I could not rest day of night; I was so reduced my friends thought I would never recover: I consulted a doctor at Columbus. I followed his advice; It did no good. I can truly say I was discouraged. At this time I was looking over my newspaper: I saw your advertisement of Vegetine, the "Great Blood Parifier" for cleansing the blood from all impurities, curing Humors, Uicers, &c. I said to my family. I will try some of the Vegetine. Before I had used the first bottle I began to feel better. I made up my mind I had got the right medicine at last. I could now sleep well nights. I continued taking the Vegetine. I took thirteen bottles. My health is good. The ulcer is gone, and I am able to attend to business. I paid about four hundred dollars for medicine and doctors before I bought the Vegetine. I have recommended Vegetine to others with good success. I always keep a bottle of it in the house now. It is a most excellent medicine. Very respectfully yours
