Mr. H. R. Stevens:

Delaware, O., Feb. 16, 1877.

Dear Sir,—I wish to give you this testimony, that you may know, and let others know, what Vegetime has done for me. About two years ago a small sore came on my leg: it soon became a large ulcer, so troublesome that I consulted the doctor, but I got no relief, growing worse from day to day. I suffered terribly: I could not rest day or night; I was so reduced my friends thought I would never recover: I consulted a doctor at Commbus. I followed his advice; it did no good. I can truly say I was discouraged. At this time I was looking over my newspaper; I saw your advertisement of Vegetine, the "Great Blood Purifier" for cleansing the blood from all impurities, curing Humors, Ulcers. DELAWARE, O., Feb. 16, 1877. AGENCY William H. Hoover. etine, the "Great Blood Purifier" for cleansing the blood from all impurities, curing Humers, Ulcers, &c. I said to my family, I will try some of the Vegetine, Before I had used the first bottle I began to feel better. I made up my mind I had got the right medicine at last. I could now sleep well nights. I continued taking the Vegetine. I took thirteen bottles. My health is good. The ulcer is gone, and I am able to attend to business. I paid about four hundred dollars for medicine and doctors before I bought the Vegetine. I have recommended Vegetine to others with good success. I always keep a bottle of It in the house now. It is a most excellent medicine. Very respectfully yours F. ANTHONI. Does a general Real Estate Business. Cured Her. DORCHESTER, MASS., June 11. Dear Sir .- I feel it my duty to say one word in re is your Vegetine. I have been one of the greatest sufferers for the last eight years that ever could be living. I do sincerely thank my God and your Vegetine for the relief I have got. The Rhomatima has pained me to such an extent, that my feet broke out in sores. For the last three years I have not been able to walk; now I can walk and sleep, and do my work as well as ever I did, and I must say I owe it all to your blood purifier, Vegetine.
