Lincoln, July 6, 1878. THE NEBRASKA FARMER.

We have frequently called attention to the many virtues of that excellent Agricultural Monthly, The Nebraska Farmer. Its correspondence covers everything desirable to our farmers, and is beautifully illustrated with cuts of stock and designs of new and improved machinery, making it one of the most tasty and useful publications of its kind in the world. We have just made arrangements to furnish it to our readers, in connection with our paper, at greatly reduced rates. Call and examine a copy, or send stamp to The Nebraska Farmer, Lincoln, Neb., and get a sample copy free, and examine it at your leisure.
