The Memphis Avalanche does not agree with the Louisville Courier-Journal as to the cause of the negro Tilden's management of the campaign exodus. The Avalanche says the incendiary teachings of the Bourbon press and politicians have furnished the material now feeding the emigrant movement, as they taught only pitterness, and marked for social preeffect, the Avalanche says:

The lawless classes were but too ready to begin the dastardly work of means of suppressing the ballot. They inaugurated reigns of terror, shot and killed where shooting and killing became necessary, and so preyed on the fears of the unprotected blacks as to practically disfranchise them in every locality where the bulldozing programme was adopted. And the Bourbon presses and publications remarks made by the States, a Missinstead of demanding protection for issippi organ of the unterrified : article, he being requested to write a "The editor Colonel Harper, was a all classes under the laws, pronouncdefense of Nebraska City because Colonel in the Confederate army, and ed all charges falsehoods, and at least the Capitol, and in 1880 our man will especially qualified to reflect the sen- ever since the war ended he has been indirectly encouraged the dastards to walk up the White House steps and monument to the english spy, Major an order of sale issued out of the District further deeds of violence.
