- Just received another large stock | Heating Stoves ever brought to this | Lafayette 6, market is coming for Stevenson & Aspinwall 4, Cross, and will be sold lower than any Island Precinct 1. stoves in the State of Nebraska. - The largest stock and handsom-

to be found in Nemaha County, with o'clock P. M. all the latest improvements, consisting of the different patterns of the large variety of cook and heating Early Breakfast, Charter Oak and at lower prices than any stove dealer dare sell, with a wagon load of trim-- Cornshellers, harness and barbed mings, by Stevenson & Cross.

- A bummer argues - "There is more whisky drank now than before mer exaggerates wonderfully. We would hate to stand on the corners and lie in the interest of drunkard Robison's. makers. We don't know how much pay they get, but it is certainly very - Stevenson & Cross must be doing small business for men who have a large business, judging from the some pretensions of dignity. When amount of goods they are receiving they get real dry they can sneak and that is being hauled away by around to the back door and sneak in and get a drink, and then sneak out again-but its no use to make asses of - Lumber has advanced in Chicago themselves by such silly twaddle as two Dollars per thousand, but the they usually get off for the drunkard

- At a meeting of the city council Monday evening a petition, with about 100 names on it was presented praying for saloons in Brownville. There was no remonstrance. The petition was disposed of as follows: After the clerk had read the preamble and names, councilman Huddart moved that the petition lay on the table two weeks. Councilman Judkins seconded the motion; motion lost. Councilman Robinson then moved that the prayer of the petition be granted. This motion fell for want of a second. Councilman Gilmore vote of five to one. Mr. Robinson voted in the negative. Three-fourths of the good citizens of Brownville attendence of all members is request- join in congratulations to the honorable Council. The principal allegation of the petition and groundwork of the burden of the prayer of this hethat the business of the city is sufferholes, is untrue. The most extensive business men of the city say to us county.

that It is untrue. - Immense stock of stoves and furniture expected this week, to be sold lower than ever, besides some fine styles of barness and saddles, to say nothing about a large stock of queensware and groceries, including a few articles in hardware and shotguns.

-Good double barrelled shot guns for \$10.00 sold by Stevenson & Cross.
