We have heard of none, certainly, but Judge Stull. Whoever may oppose the Judge in convention, we take the liberty of saying, there is no good reason why he should not be re-elect- ed. Nemaha has never had a more conscientious or capable a county or Probate Judge than Stull, and the du- ties of the office require such abilities as he possesses. It isn't every "good fellow" that would make a good Judge-a fact that should be remem- bered by the convention. Notice. Dr. Jonas Crane started one day last week for Little Ruck, Arkansas, where he will remain about a month in search of health. Then what would you do with the court and offices? Campout? Gentlemen removers, when you tell the people there will be no ex- pense attending your enterprise, you are attempting to deceive, for should you succeed in relocating, the very next move you would make would be for county buildings, and very prop- erly too, for it would be impossible to get along with the affairs of the county without the usual county buildings. This question arises again at this stage of the argument: Do the peo- ple want to be taxed for these build- ings now-before they know where they want the buildings erected? Do they want the county to incur all the expenses of two or three elections on a proposition to femove the county seat at a time when they can't deter- mine to what point it would be best	I will sell you boots and shoes cheaper than any house in the county.
