flonor to Whom Honor is Due.

Howe was not guilty of a crime in returning to the republican party.

Omaha Herald: We told you -Bee. Church Howe wore brogans, nines, in returning to the republican leadership. That little fight for John L. Carson, Wednesday evening, was a very good proof of the size of his shoes, which are high in the heel, broad on the tendance was very good, and yet not bottom, and very long at the toe when as many of our S. S. workers were there is any kicking to be done.

tendants upon the Republican Convention were surprised to see what is not by any means hard to explain. word in politics is as good as his word | tendance. in business. That this is the most potent method of making a success of the county, and was a success in every the doubtful trade can hardly be ques- respect, so that the workers feel entloned. If a man fulfills his promises couraged and hope for yet a better it is easy to know where to find him, and greater work by another year. if he promises with no intention of The following officers were elected by keeping his faith, his political career the convention for the ensuing year: is bound to be summarily cut short.

DEMOCRACY.

It Stands To-Day Precisely Where it cinet in the county, are-Stood in 1861.

Democracy stands to-day precisely where it stood in 1861. Its principles are the same. Its purposes are the same. And though its politicians may put

forth one platform to-day, and another platform to-morrow. Though they may pledge this, And swear that, And profess the other.

They have not, and they never will have, the power of quenching one want of time a fuller report of the Hogs. light or tearing up one land-mark of convention would have been given.

the party.
Democracy is the same to-day, yesterday and forever, and no man, no set of men, can change one dot or point of its old, original creed. The party managers may meet, and consult, and then proclaim that

Democracy yields this, Democracy accepts that, but their utterances are the mere rub- are growing rapidly in popular favor. a-dub-dub of the hollow drum-beat, It is only necessary to try these flavors full of sound, but signifying NIL. In confirmation of this claim, we pure.

will cite a fresh, historic fact; In 1871 the politicians of our party took a New Departure. And declared that they accepted the war legislation as final.

Castoria

Cry for Pitcher's Castoria. They like

it because it is sweet; Mothers like

Castoria because it gives health to

the child; and Physicians, because

it contains no morphine or mineral.

Is nature's remedy for assimilating the food. It cures Wind Colic, the raising of Sour Curd and Diarrhea allays Feverishness and Kills Worms. Thus the Child has health and the Mother obtains rest. Pleasant, Cheap, and Reliable.

The most effective Pain-relieving agents MAN and BEAST

the world has ever known.

The reasons for this unprecedented popularity, are evident; the Centaur Linialways cure and never disappoint. No person need longer suffer with PAIN in the BACK,

Liniments will surely exterminate the pain. There is no Strain, Sprain, Cut, Scald, Burn, Bruise, Sting, Gall or Lameness to which Mankind or Dumb Brutes are subject, that does not respond to this Soothing balm. The Centaur

not only relieve pain, but they incite

healthy action, subdue inflammation, and cure, whether the symptoms proceed from wounds of the flesh, or Neuralgia of the Nerves; from contracted Cords or a scalded hand; from a sprained ankle or a gashed foot; whether from disgusting PIMPLES on a LADY'S FACE or a strained joint on a Horse's Leg.
The agony produced by a Burn or Scald; mortification from Frost-bites; Swellings from Strains; the tortures of Rheumatism; Crippled for life, by some neglected accident; a valuable horse or a Doctor's Bill may all be saved from One Bottle of Centaur Liniment.

No Housekeeper, Farmer, Planter, Teamster or Liveryman, can afford to be without these wonderful Liniments. They can 25 cts.

- John F. Titus started west last -T. C. Kimsey has gone west pros-

pecting for a stock farm. - David Tourtelot and family have moved into their new house,

- Jno. Collins is making a nev house out of his old one. - Rev. Matthew Henry is now resident of Nemaha City. - We are soon to have a large store

building erected on First street.

- When you hear the new bell ring, you may know that service is about to begin in the Episcopal - Rev. Mr. Weeber, of Brownville,

preached in the school house on Sunfor a pork packing house except men

of means familiar with the business to run it. - There is material enough in this mmediate vicinity to keep a broom

factory in constant operation. - There is a larger acreage of fall wheat sown in this precinct than in any previous year. The delightful weather we are having is exceedingly

favorable to its growth. -Mr. Jones, an old coal miner, livng on the lower road midway to Brownville, is of the opinion that he has a workable vein of coal, under the hill in rear of his house. He has but lacks time and means to thoroughly develop it. It would be well for the Nemaha Coal Co. to look into it. There is no need of mentioning the advantage that a workable coal mine would be to this county.

-The finest climate it is possible to find is enjoyed throughout Nebraska from September to December. The DAVID A. MORTON sky is as blue as can be seen anywhere and the air is so exhilarating that whisky is entirely unnecessary. - Bob. Frost has quarried the rock
