

THE ADVERTISER

Brownville, Neb., and 12 p. m.
Arrive at Brownville 12:30 p. m., and 6:20 p. m.

THURSDAY, OCTOBER 23, 1879.

ANNOUNCEMENTS.

County Clerk.

You will please announce my name
as a candidate for the offices of the
people of Nemaha County for the
office of County Clerk, and if elected
will endeavor to fulfill the duties
thereof faithfully, basing my qualifi-
cations upon an experience of ten
years as deputy and otherwise.

Respectfully,
J. B. DOCKER.

Lead and oil at Nickell's.

Go to the speaking to-night, at
Nemaha City.

We are having very fine fall
weather now.

The Pinafore company are im-
proving splendidly.

A beautiful line of new jewelry
at Nickell's, astonishingly low.

Cornshellers, harness and barbed
wire,
STEVENSON & CROSS.

A. W. Nickell, wants to sell you
your Drugs, Paints, Oils and School
Books.

A fine lot of shotguns just received
and will be sold low by Stevenson
& Cross.

Mrs. White has a nice line of
dress goods. Ladies are invited to
call and examine.

You can save money by calling
on Geo. Arkwright before you buy
watches, clocks, or jewelry.

L. A. Polock will sell you millinery
goods cheaper than any other
house in town. Call at Mrs. Cook's
building.

The Bain wagon must be the best
wagon on the market from the number
Stevenson & Cross are selling in
the last few days.

We send our paper occasionally to
persons in the county who are not
subscribers, hoping they will be pleased
with it and subscribe.

A new lot of new styles of sewing
machines at Whitmore's & Ark-
wright's, No. 30 Union Hotel, Brown-
ville, Neb. Please call and see them.

The county seal removers were
last week copying the names from
the petition, getting ready an abstract
of proceedings preparatory for a man-
damus.

Buck wheat at Dolen's.

Choice brands flour, sugar cured
hams, bacon, dried fruits, California
canned goods, cranberries—best
brands—plotted cherries, &c., at Gates'.
Come and see me.

What we said regarding those
gold pens is true—is a matter of record
—and it's the truth that satisfied the man
who confided the N. Y. firm out of
their pens.

The Democrats are bragging that
they have been out among the Ger-
mans with beer, and that "every-
thing is all right." They who brag
of fixing the Germans with beer,
generally fail to fix them.

Large line of boy's clothing
just received at the
cheap store of J. L. McGee.

The residence of Mr. Sage, near
Sheridan, was entered by a thief one
night last week, and \$125 in money
was taken from a drawer. The robber
is supposed to be some one well ac-
quainted with Mr. Sage's premises.

Mr. Jacoby, the gentlemanly
agent for Hill's Manual, a very in-
teresting and instructive book, deliv-
ered the books to his subscribers here
last week. Mr. Jacoby says he is a
gentleman, for he just takes in his
money, thanks you suavely and goes
away about his business. In fact his
talking partner does talking enough
on the first trip round.

Buttons, something
entirely new at Dolen's.

The Rural New-Yorker of the
18th inst. is styled by the editor "Our
Potato Number," and is devoted en-
tirely, nearly, to the culture of potatoes.
Pictures of 17 of the best and most
popular varieties are given in
Nemaha county, and as their "in-
fluences" was weakening they made
Toussach a visit to "brace up." A man
can get "braced" here without taking
if style, like they do at Brownville.—
Toussach Chief.

That is a heavy hand to draw to,
and one not seen every day—the big beer
man and two little Temple of Honor
men.

Millinery.
Just received, a large assortment and
more coming. The finest styles and
latest patterns. L. A. Polock at Mrs.
Cook's building.

For bargains in flannels,
see Dolen.

The genuine Kelly barb wire for
sale by Stevenson & Cross at the same
price as the inferior wire.

2,500 acres of land in Bedford
Precinct for sale on reasonable terms.
Apply to William H. Hoover.

Do not buy furniture until you
look through our mammoth stock.

I have for sale, cheap, some choice
lots, in Nemaha City, for those who
want to build. W. H. HOOPER.

We are prepared to do all kinds
of tinwork on short notice and at low
prices. STEVENSON & CROSS.

Ladies, call and see those new
style hats and bonnets just received
by Miss L. A. Polock, College street.

The reason why Stevenson &
Cross are constantly selling stoves is
because they keep the latest patterns
and sell at lowest prices.

For your millinery goods, at
low prices, you should call on Mrs.
White, No. 45 Main street. She also
has in stock an elegant line of lace
goods, dress goods, jewelry, notions,
ladies' cloaks, dolmans, &c. Give
her a call.

Parties whose veracity and integ-
rity is hardly up to par in this city,
are out occasionally making a special
fight against Mr. Gilmore, but we
learn they are doing him no damage
to speak of; their promptings and
motives being about as well known
in the county as they are in town.

A game of base ball was played
at Brownville last Saturday between
the Nemaha City club and Brown-
ville club, resulting in 34 scores for
Brownville and 12 for Nemaha City.
That was a bad game for the Nemahas.
But if Brownville goes down there and
tries them a whack the victory may
be on the other side. We would be
pleased to publish the tabular state-
ment of the game, but have not time
or space to do so.

The opposition to Mr. Culbertson
are trying to create a sensation regard-
ing his hand writing. They have
discovered some characters, said to
be his signature, on the hotel regis-
ter, and declare these hieroglyphics
not to be a smooth fashionable style
of chirography. We are not acquaint-
ed with Mr. Culbertson's penman-
ship, but assuming he being a hard
fisted and big dated mechanic, that
he does not write as smooth and neat
a commercial hand as the soft-hand-
ed, body-fingered gentry might exact.
We are sorry they are not pleased
with Mr. Culbertson's "fast," but
think he writes an average legible
hand—as good as the average intelli-
gent mechanic or farmer. Why,
these fine-haired copyists feel so bad
about Culbertson's writing that they
will surely incorporate in their plat-
form next time that "No mechanic or
farmer need apply." "What right
has the shaver of a jack-palpe or the
wielder of a sledgehammer, or a
big handed plowman want to be a clerk
for, anyhow?" The answer will be
in by the 4th proximo.

New Goods! New Goods!
Arriving every day, call
and see them early.

L. Lowman.

A Card.
GLEN ROCK, NEB., Sept. 20, 1879.
To the voters of Nemaha County:
As I have received the nomination for
Commissioner, for the Second
District, by the Republican Con-
vention, I deem it proper for me to say
I am a farmer, and my business may
not permit me to see all the voters of
the county before the election. There-
fore I take this method of soliciting
the votes of at least my party, and
of saying that if elected I will, impar-
tially, serve the people and the best in-
terests of the county, irrespective of
locality. Yours respectfully,
F. REDFERN.

Dry Goods, Cloth-
ing, Notions, Furnishing
Goods and Shoes, every-
thing cheaper than any-
one else can sell them
to you at LOWMAN'S.

old customers that he will continue
in the grocery business, and keep as
good and cheap a stock of family
groceries as can be found in the city.
He also announces that his Restau-

of the ladies; and makes a specialty
of ladies' and children's shoes; dress
goods, and ladies' furnishing goods.
These additions to her millinery
goods make a rich and handsome dis-
play. Her goods, in each line, are
selected with care for the demands of
this trade, and are of the best qual-
ity and latest styles and fashions.
Mrs. White respectfully requests all
her old customers, and others to call

We give the Republicans of the
country this timely warning that the
country will soon be filled with bogus,
mongrel, and all sorts of mixed
kernels. Be careful not to be deceived
by the looks or appearance of the
general make up of tickets; but get a
Republican ticket early read it care-
fully, becoming well acquainted with
the names thereon. And then read
it again immediately before voting, to
be assured that some Democrat's name
that ought not to be there has been
inserted. Our Democratic brethren
know that their only hope to elect
one or two is by some hook or crook
outside of a distinct and "square
deal."

the insignificant U. P. would vanish
like dew before the refulgent sun of
a June morning.

of the county. They urge Republi-

will be inscribed on the Republican
banner.

lot of Ladies', Misses
and Children's cloaks

Dr. McComas, in his speech at
Burke's, Tuesday evening, said all
they wanted was Frank Johnson and
Joe Docker. This is confirmatory of
what THE ADVERTISER said when
first the Democratic ticket was pre-
sented: That Johnson and Docker—
especially Johnson—was all they
cared for, the balance being set up to
trade on, and trade Johnson into
possession.
