Twenty years ago Denver was a small tracking post on the frontier, now it is a large city, with numerous Churches, Hotels, Theaters, Street milroads, Gas-actics, Water works, Gosl and Silver Smelling and Refining Works, with a United States Mint, and is the great Railroad Silver Smelling and Refining Works, with a United States Mint, and is the great Railroad Center of the West. There are seven First-class Railroads now running and connecting with all the Principal and Branch Railroads from Malne to California. It is the Capital of Colorado, naturally the richest State in the Union, and located in about the geographical center of the United States. The climate is charming, with the best water and purest air in the world, and the scenery is unexcelled for beauty and grondeur. It is surrounded by the richest Gold, Silver, Copper, Iron, Lead, and Coal Mine and Agricultural Lands in America. It is now the headquarters for Cororado, Kansas, Nebuska, New Mexico, Wy-oming, Nevada, Arizona, and Northern Texas. The rich mineral and agricultural resources of this vast country will make Deriver the largest and wealthiest city in the West.

WHY LOTS ARE CIVEN AWAY.

As the tide of immigration is now in this direction, it is the Company's interest to have people locate in Denver and on their property. To encourage emigration here, the Company will give to any one sending their none and address a warrance deed, in for simple, for one or more lots in North Denver, sith and in Weld County. State of Colorado, in immediate view of this beautiful city, the only charge being one deliber to pay the Notary Public fees for acknowledging deed and conveyance. The Company does not give every lat away, but each alternate one, and does not evpect that every person who gets a lot in North Denver will come here, but a great many will, and they will induce their friends to follow. The in-creased population will soon make this property vary valuable, and this Company retain each alternate lot, which they hold at process varying from 25 to 500, according to location, For this reason the above proposition is transfer. The deeds are nonconditional, not requiring For this reason the above proposition is made. The deeds are unconditional, not requiring any one to settle or improve, but with full power to transfer and deed to others. The limit to any one person taking advantage of this offer is five lots. This **property is not hill-side**, mountain, or swamp, but is level. Sertile, and has advantages for building upon too numerous to mention. Full and satisfactory information, with indorsements from our best citizens, will be furnished.
