The object is to promote business in the city. Would not some such organization help the business of Brownville? We are aware that business here is good, and business men generally satisfied, but yet it might be better, probably. - CLOSING OUTThe undersigned will close out his entire herd of Berk- shire and Poland China swine as soon as possible; consisting of as fine a herd as there is in the west and repre- senting some of the most fashionable strains, such as the Lucifer, Robin Hood, and Crown Prince families. A fine lot of young sows large enough to breed; also can be paired with boars of different families, all eligible to Berkshire record. Stock in good thriving condition, all bred and far- rowed here, therefore will be accli- mated. Original stock imported from Iowa and Pennsylvania. Those wish- ing something in this line will get as good stock here at less cost than from the east, besides having a chance to select for themselves. Come early as stock is going fast.
