TELEGRAPHIC SUMMARY weekly history of the world in general, and of the Nation, and the State in particular.

The Weekly Nebruska State Journal is not only the largest Weekly published in the West, but it contains much more reading matter, in proportion to its size, than can be found in any of its contemporaries on this side of the Misseuri, and commends itself to every Nebraskan as the State paper, to be taken in addition to the local papers of the several counties, for its general and State news.

Republican in politics, it discusses public affairs, not from a partisan, but from a broad, national stand point, criticising public men and measures upon their merits, independent of factionalism or prejudice.

BEST IN THE WORLD ! ND HAMMER A

Impure Bi-Carb Soda is of a alightly dirty white color. It may appear white, examined by itself, but a COMPARISON WITH CHURCH & CO.'S "ARM AND HAMMER" BRAND will show the difference. See that your Baking Soda is White and PURE, as should be ALL SIMILAR SUBSTANCES used for

Be sure and ask for Church & Co.'s Soda and see that their name is on the package and you will get the purest and whitest made. The use of this with sour milk, in preference to Baking Powder, saves twenty times its cost. See one pound package for valuable informa-tion and read carefully.
