The g. e. bit off more than it could masticate in the Maine matter; relapse has set in and the dirty thing looks worse than ever.

Every Republican in Nemaha county ought to take THE ADVERTISER. Friends, help us to increase its circulation.

We notice in the *Chief* that our old friend, Andrew Cook, of Tecumseh, was recently married to Mrs. Helen M. Searle of Pittston, Pa.

The g. e. of gold pen and school books organ infancy harps about Garfield and perjury, weekly. He judges others by himself, and what Democrats as well as Republicans about Brownville know him to be and say he is.

Parties in the interest of the R. & M. R. R. Company a few days ago purchased the farm of J. B. Piper, lying within one mile of Sheridan, and also an 80 acre lot of land adjoining the Piper place, from A. W. Morgan. This would seem to indicate beyond doubt the line of that company's road, east and west through this county.

The g. e. up the street brays lustily, evidently thinking he is one of Barnum's mules, but being a regular jackass will not pass muster.

It gives us sorrow to learn of the death of Mr. Ed. R. Wright, of the firm of McCrosky & Wright, Tecumseh. Mr. Wright was esteemed as one of Tecumseh's best citizens.

A. W. Nickell, our druggist, has returned from his extended trip east, where he has been purchasing an immense stock; his experience and knowledge of the business has enabled him to select a complete stock of pure drugs, medicines and chemicals at very low prices, of which he intends to give his customers full benefit. When needing anything in the drug line, call on Nickell.

Patrons of THE ADVERTISER, are you aware that we are giving you a paper weekly these times, and have been for the past six months, that never was equalled in this county? We mean as to quantity of news, fresh, interesting reading. Examine this issue in this respect and remember that it is all done in our office—the type all set, and all printed at home. Our ambition is to make the best paper possible, and to this end we labor incessantly, and think we merit the united support of the public.

William Hobbler was tried by a jury for the crime of bigamy, at the recent term of the district court in this county, found guilty, and sentenced to serve two years and six months, at hard labor, in the penitentiary at Lincoln. The indictment alleged that Hobbler, "On the 31 day of January, 1879, in the county of Hancock, Illinois, did marry one Eliza Christian; and her, the said Eliza Christian, then and there had for his lawful wife; and that the said William Hobbler afterward, and while he was so married to the said Eliza Christian, as aforesaid, to-wit: on the 20th day of January, 1879, in the said county of Nemaha, in the State of Nebraska, feloniously and unlawfully did marry and take to wife one Amelia A. Loveliss, then and there was married, the said Eliza Christian, his former wife being then alive; contrary to the statute in such case made and provided, and against the peace and dignity of the people of the State of Nebraska." And William, the pay and festive youth, went up to Lincoln Monday last to learn his new trade of pounding stone and carrying a hod.

## LOCAL PERSONALS.

T. C. Hacker went up to Omaha Wednesday to see the Fair.  
The little girl of T. N. Sanders is quite sick. Also the child of Wm. Berger.

Mrs. F. M. Fairbrother and Master Charles, her son, were visiting friends in this city and vicinity this week.  
The largest pear we ever saw was shown us Saturday by C. M. Kaufman. It was grown in his nursery and weighed 1½ pounds.

Al. Ewan, Esq., editor of the *Sheridan Post*, passed a very creditable examination in the mysteries of Blackstone at the late district court, and was admitted to practice law.

Ex-Gov. Furnas went up to Omaha last Saturday, to attend to his duties as President of the State Horticultural Association. He returned home Monday to be present at the funeral of his grandson.

Mrs. W. T. Rogers and Mrs. James Stevenson took in the Richardson county fairs last week and also several farm houses between Falls City and Brownville. They were having a good time when we saw them.

Hon. M. B. Reymann, Republican candidate for the legislature was in the city last week. He doubts not that old Lafayette will do her duty at the election, and regards the prospect of the whole ticket as very flattering.

Dolen has his rooms chock full of goods and staple groceries. His dry goods department is a model of neatness and order and the ladies appreciate the fact. Read his new ad. and call and examine his elegant stock of new goods.

J. L. McGee as a merchant and citizen has the confidence of the people. What he promises he performs. He advertises both for his own interest and that of his customers. He is now receiving his fall stock of goods, and on this page find his big advertisement.

Wednesday evening of next week, 29th inst., Gen. Van Wyck, a veteran Republican, and an ex-Nevada Congressman, will speak in this city. We urge every voter in the county, who possibly can, to be present on that occasion. The cornet band will play, the Guards will be out in full force, the Glee Club, one of the best in the State, will sing, and there will be a general good time.

We publish in this issue an article from the pen of Mr. Richard Wallace, giving some of his experiences amongst the Democracy of Tennessee. Mr. Wallace is a citizen of this county, a school teacher, and having a sister residing in Tennessee, went down there himself, to reside, and engage in that inoffensive business. He is a quiet, steady, unobtrusive man, and takes little interest in politics further than to cast a Republican ballot. His testimony regarding the intolerance of free opinions in the South, will not be doubted by anybody acquainted with him.

Hon. G. M. Lambertson, of Lincoln, addressed a large audience in the opera house, this city, last Friday evening, on political questions. Mr. L. is of the stalwart type, politically, intellectually and physically. His speech was eloquent, logical and convincing; and was frequently interrupted by the applause of his intelligent audience of gentlemen and ladies. A vote of thanks for the able address was given with enthusiasm. Mr. Lambertson was accompanied to the city by his wife, and they were the guests of W. H. McCreery.
