The Lincoln Globe is taking the best plan to defeat one, or all, of the Republican ticket in this county, by its attempt to defeat Mr. Howe; and it is not hurting any one more than Mr. Daily whom it presumes to serve.

Republican—Hallo, there Mr. Democrat, have you "heard from Maine?"

Democrat—O, damn Maine—what does that amount to!

Republican—Well, you needn't get mad about it.

It is astonishing to see the amount of goods continually leaving the Railroad Store conducted by W. M. Thilow, at Aspinwall. He wants 5,000 pounds of butter at 25 cts. per pound 5,000 dozen of eggs 20 cents per dozen and 5,000 customers to carry away the goods past out by himself and three good clerks.

THE UNION HOUSE, this city, is the most popular dollar-a-day house in the west, and is receiving patronage as it deserves and merits. It is the best place for farmers to stop to get a good dinner, and every day its tables are crowded. In the desk of the Union may always be found the best brands of cigars. Those who have not put up at this popular hotel are invited to stop and give it a trial.

We observe that Stevenson & Cross are launching into the fall trade with their usual drive and energy. Last week they sold several car loads of stoves—cook stoves, coal stoves, parlor stoves, oil stoves, and all sorts of stoves—common, neat, rich and costly as ever ornamented a parlor. Apropos—a gentleman from Nemaha said, "I got all their prices—and saved money by buying a stove from Stevenson & Cross." And so it is with everything and in every branch of business carried on by this live firm. They have everything, anything—furniture, hardware, tinware, department goods, guns—every variety, full, and they sell— they purchase to sell—and every day wagon loads of goods are taken away from their door by farmers now purchasing their stoves, and staples, and luxuries for winter comforts. We speak of this firm from personal knowledge, and while we accord to it enterprise and merit, we also say to farmers, poor men and rich, that we sincerely believe all can get bargains for cash of S. & C. that they cannot find elsewhere.

The gentlemen of the Brownville land, singers to return thanks to the requesters who kindly assisted the band in furnishing the music for the festival on last Thursday evening, and especially to Miss Cora Gates, the leader and directress; fully appreciating that their services added largely to the pleasure of the occasion.

Those who would enjoy a nice drive, (if the weather is auspicious), plenty of music, plenty to eat, and a general good time, can do so by attending the band picnic, at Sage's Grove, Sheridan, Thursday this week. There are five bands in the county, to-wit: Brownville, Nemaha City, Sheridan, Peru and Bratton. And a band from Nebraska City will probably be there and also one from Tecumseh.

The business men of Beatrice held a meeting last week to consider certain movements reported as being made by the officials of the Wabash system of railroads, looking to the extension of a road into Nebraska at Brownville. C. G. Dorsey suggested that a convention of representative men on the probable line, be held to consider what best means could be adopted to secure the road. A committee was appointed by the meeting, consisting of C. G. Dorsey, Elijah Filley and Jacob Klein, to visit Tecumseh, Brownville and Nebraska City, regarding the matter.

As the Doctor was for more than a year a prisoner of Andersonville, he will tell something of that rebel hell; and the people will hear the most interesting speech of the campaign. Let the opera house be filled early in the evening.

Republicans Meeting at Howard.

The Republicans of Howard, in this county, had a rousing time at that place on Saturday last. The gathering was of a picnic order. All came with well filled baskets. Farmers came from all parts of the county, bringing with them their families. The attendance of ladies was the largest ever known in their part, showing an interest on their part hitherto without precedent. The meeting was held in the pleasant grove near the village, where a stand was erected, and an abundance of seats provided, that the crowd could be made comfortable, and this to be the better able to enjoy the meeting.

The meeting was held from 10 o'clock in the morning until late in the evening. Gov. Furnas occupied the stand and spoke until noon. Refreshments were then spread, and the wants of the inner man satisfied. Everybody was led to fill, and many baskets-full left. The good women of that precinct know how to gratify the appetites of "the voters of old Nemaha."

After dinner Gen. Van Wyck of Otoe addressed the crowd. Also candidates for the legislature, Dally and Beyrond.

The speakers, all alive to the interest of the occasion, were eloquent, logical, convincing, and hit Democracy many telling blows. Governor Furnas was especially felicitous in his manner and the selection of his topic, making one of the best speeches of his life, and of this campaign, here, holding the audience in deep interest for at least one hour and a half. The Governor, being well posted, and well armed with documents, presented facts that Democracy cannot successfully gainsay, and strengthened the cause in that locality.

The cornet band of Nebraska City was on hand, and with the best of music added to the life and enjoyment of the occasion.

Alie Williams, with his Garfield drummer boys was there, and with life and drums, gave such martial music as only he and his boys can make.

J. W. Brush of London precinct was on hand, and favored the crowd with his old fashioned soul stirring kettle drum music. He is a whole team on a drum.

This was one of the finest gatherings ever held in the county. May there be many more such.

We understand that the Hancock flag which Mr. Bratton has had floating over his place of business from a hickory pole was torn down by some vandals a few nights ago. Stevenson & Cross, on the same night we believe, had theirs also, torn down. The supposition is that whisky had more to do with the dastardly conduct than party malignancy. We cannot find words sufficiently severe to properly express our condemnation of tearing down the stars and stripes, it matters not whether the flag bears the Republican or Democratic names. One party has as much right to float their flag as another. Republicans believe in free flags, a fair vote and an honest count.
