- A very dirty, debased and ignorant looking man came in to vote in a township in Michigan. Said one the ladies, offering him a ticket: "I wish you would oblige us by voting this ticket." "What kind of a ticket is that " said he. "Why," said the lady, "you can see for yourself." "But I can't read," he answered, "Why, can't you read the ballot you have there in your hand, which you are about to vote?" asked the lady, "No," said he, "I can't read at all." "Well," said the lady, "this ballot means that you are willing to let the women, as well as the men, vote." "Is that it?" he replied; "then I don't want it; the women don't know enough to vote."
