MANHOOD

How Lost, How Restored!

Just published, a new edition of Dr. Culver's
Celebrated Essay on the radical cure of
Spermatorrhoea or Seminal Weakness, Involuntary
Seminal Losses, Impotency Mental and
Physical Impotency, Impotency to marriage
and birth, CONSTITUTION, FERTILITY AND CURE,
introduced by self-indulgence or sexual extravagance,
etc.

The celebrated author, in this admirable & say,
clearly demonstrates from a thirty years' ex
perience of practice that there is no disease
which may not radically correct, purify, and
cure of course at once simple, certain, and ob
tained by means of which every sufferer, no matter
what his condition may be, may cure himself
completely, and easily, and quickly.

This Lecture should be in the hands of every
young and every man in the land.

Dr. S. W. McGrew, Republican Nominee for
County Clerk—His Record, Made

During the Four Years He

was County Su
perintendent.

Every public man makes a record,
which becomes public property, subject
to inspection, investigation and criticism
by the public, and upon which he
must stand or fall.

Dr. McGrew stands squarely upon
his official record, challenging scrutiny,
and asking nothing more to entitle him
to the votes of the party that nominated
him, than a full knowledge of the facts,
and a fair consideration of and
judgment upon, the facts, and circumstances
connected with his four years' service
as Nemaha county's first su
perintendent of schools.

If he shall be accorded this, in spite
of the malicious statements of "Dock
er's Deputy" and the poisonous innuendo
and palpable lies of the mongrel
organ, we doubt not an overwhelming
indorsement of him by the people at
the polls.

At Dr. McGrew's request, we give, in
detail, an abstract of each and every
bill against the county, presented
during the whole time he served as su
perintendent, as appears in record in the
clerk's office:
