-Fresh bread, pies and cakes at ways on hand at A. Palmer's.

-Fresh bread, cakes, pies, always on hand at the old reliable City Bakery.

-Hardware and groceries, large stock of each, by Stevenson & Cross.

-A light fall of "the beautiful" greeted our vision Wednesday morning.

-The best cook stove, with the latest improvements, you can buy of Stevenson & Cross.

-We are closing out our heating stoves very low.

-Best bread in Brownville at the Bakery of Aaron Palmer-always fresh and clean. Give him a trial.

-Stowell, how do you like editing, as far as you've got. Don't you really think you bit off more'n you could chew?

-Do you need a cook stove. Call on us and we will sell you one trimmed out in first class style, and at a very low price. STEVENSON & CROSS.

-I have just received a large stock of groceries and a fine lot of California canned fruit. I will sell them at bottom prices. B. STROBLE, City Bakery.

-S. W. Kennedy informs us that he had been plowing between Christmas and New Years, in preparation for spring planting. That's the kind of weather we had during December, 1881.

-The county commissioners are in session. Their principal business will be to settle up with the old officers and start the new machinery for the ensuing terms. The new officers will put on their regalia and take their respective places.

-T. F. Seaton dealer in groceries, corner 6th and Main Street, has for sale the renowned White sewing machine, also the Household sewing machine, they are both very light running and almost noiseless, warranted for five years. Call and see them.

-Stowell says he is thankful for a shirt he got on the Christmas tree. Now, Hog-eyes that is too thin, for you could take one of those five dollars that you swindled those farmers out of along the M. P. and buy some shirts any time.

The Methodist church organized in Nemaha county over twenty years ago, has been steadily advancing from that time to the present. There are five resident ministers of that church who employ all their time in the county, with two from adjoining counties who have appointments within its bounds. There are three local preachers who spend part of their time in preaching. The membership reaches a little over 600. There are six Methodist churches and five parsonages. Besides the above there is a German Methodist church and parsonage in the county. So there is perhaps no point in the county where those desiring may not attend Methodist service.

-When we heard how Congressman Valentine presented a turkey to each of the preachers and editors of West Point, for their Christmas dinners, and which impelled the Republican of that city to say, "We mean it as no 'taffy' when we say that our stalwart congressman has one of the biggest and warmest hearts that ever beat in a manly bosom," it struck us that an impetuous editor ought to write felicitously and vigorously complimentary when stuffed with donated turkey. Then a keen feeling of chagrin flashed over our generous sensibilities when we remembered that the ADVERTISER "outfit" gathered around the home festal board on Christmas day with an "awful" big turkey looming in the midst thereof, presented by Stevenson & Cross, and that we had neglected to say a word about it last week when the acknowledgment was due. Now we are going to acknowledge our appreciation of that turkey if it takes all winter. S. & C. are not candidates for congress, but they do run the boss hardware and furniture store, in this corner of our moral vineyard, and if the size of the turkey indicates the size of the donor's heart, we'll bet the above named firm lays over the stalwart congressman by several majority, for our turkey was a 17 pounder.

-Prof. Ed. Lippitt, music teacher at the Normal School, has been "a hangin' around" our office a day or two getting his circulars printed-at the best job office outside of Lincoln and Omaha in the State. We are always pleased to see the Prof. He delights in his profession, always studying and progressing, takes great interest in the advancement of his pupils, and is as thorough a master of his profession as any musician in the west.

-HARRY DOLEN will remove his store to Sheridan Monday of next week. He will occupy the west room in Gilmore's building, on the Howe-Nixon addition. The building is a large frame, imposing in appearance, with a magnificently furnished front; and Dolen's business room is said to be the finest, as well as the most commodious in the county. The regrets at losing Dolen from the business of our city are universal, except by rival establishments, perhaps, for he is a real merchant, an honest, pleasant gentleman to do busi-

ness with; and by his good taste and experienced judgment in the selection of goods, commanded a large share of the trade of the very best class of customers. He takes to his new establishment a very large and excellent stock of goods; he is known all over the county and we doubt not that he will command the trade of the center. Harry, good-bye-you have been a good friend to the ADVERTISER, and you deserve, by your energy in business and square dealing, the unbounded prosperity which we wish for you.

While Stowell, of Sheridan, has offended us in a way that calls for resentment, yet what we have to say of him is true nevertheless. If any one desires to know what kind of a man he is let them ask his clients. A few persons, on account of his locality, have employed him, and if any one of them indorses him as an honorable man and attorney we have failed to hear of it, while we have heard much to the contrary. He is simply a sort of hairbrained pettifogger and dead beat. Ask his former clients.

See other column.

Thanking my many customers and friends for their very liberal patronage for the year just closed, I am as ever yours, J. L. MCGEE.

About the mid-hour Saturday night we heard the bell on the Presbyterian church ring out sharply on the frosty air, and the solemn tolling that frosted reminded us that the old year was expiring-toll-toll-toll-1881 is dead. Clattertybang, clattertybang, ding-dong-bell! And the new year is ushered in-a new volume begun. All hail, the year of our Lord, 1882!

A Lady's Wish.

Those languid, tiresome sensations, causing you to feel scarcely able to go on your feet, that constant drain that is taking from your system all its elasticity, driving the blood from your cheeks; that continual strain on your vital forces, rendering you irritable and fretful, can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system are relieved at once, while the special cause of periodical pain is permanently removed. Will you heed this?
