Deeds, mortgages, bills of sale, notes, and all legal blanks for sale at THE ADVERTISER OFFICE.

Call at this office and examine our specimens of job work, and prices, before ordering elsewhere.

A New Orleans paper speaks of a popular gentleman of that city as not having an enemy in the world. He has killed all of them.

Finest groceries are kept by J. L. McGee, Brownville.

There are about twenty-five resident and business houses now under way of construction in Calvert and Sheridan—the "center of Nemaha county"—all around in the vicinity of the "stranger's" imaginary seventy-five thousand dollar court house. W-h-o-o-p-ee! and that will be a rouser? But just as like as not the tax-payers can, and will determine the price of their court house without the assistance of the stranger.

All concede that J. L. McGee, at Brownville, carries the best goods and largest stock in the county.

There will be an institute held by our county superintendent for the benefit of the teachers of Nemaha county, on the 17th and 18th of this month, at Highland, district No. 13. A good programme will be arranged. Prof. McKenzie will lecture Friday evening. Mrs. Schick wishes all who can attend to make an earnest effort to get there in time for the Friday evening session. All attending will be entertained. All the parents and patrons of the schools of Nemaha county are cordially invited to attend and see what is being done in this direction.

Have just received a nice line of Spring and Summer Clothing, which will be sold very cheap.

J. L. McGee, Brownville.

A. W. Nickell, the Brownville Druggist, has just received an immense stock of wall paper, the most beautiful patterns at 12 1/2 cents a bolt. Window curtains all styles and kinds, and curtain rollers of most every make. It is astonishing how nice a room can be made with so little money. He also keeps a full line of books, both school books, miscellaneous books, and blank books, writing papers, all kinds and sizes; envelopes of every shade and color. When you go to Brownville do not fail to call in at Nickell's drug and book store, and if he has anything you want, he will sell it to you as low as can be afforded and you can depend upon the quality and of getting exactly what you buy. We buy of Nickell because we find him reliable.

It is a well known fact that no house undersells J. L. McGee, Brownville.

Sheridan Items.

Hess & Co. have their building nearly ready to move into.

Jones & Bethel have their block of two stores nearly enclosed.

Our new depot looks rather low as seen from town, but when you examine it closely one of the most commodious depot buildings in the west—waiting room and office 16 feet in the clear and painted green and furnished in the very best style.

Sheridan postoffice is made a money order office to date from July 1st.

It is reported we are to have a bank in a short time.

Wesley Dundas has a very nice stock of clothing, which he sells lower than any other house in the county. He buys from first hands; pays no rent or clerk hire, and can afford better prices to customers than those who have such heavy expenses.

The firm of Dundas & Miller is to be dissolved, S. N. Miller continuing the business.

J. A. Ligan has been doing a rushing business for a short time, buying and shipping hogs from Sheridan.

Grateful to Invalids. Floreston Cologne is grateful to invalids, because it is refreshing without the sickening of most perfumes.

Every person who pays for the ADVERTISER a year in advance will be presented with a copy of Kendall's "Treatise on the horse,"—English or German.

The Highest Rank. Made from harmless materials, and adapted to the needs of fading and falling hair, Parker's Hair Balsam has taken the highest rank as an elegant and reliable hair restorative.

MANY persons will take no medicine until prostrated on a bed of sickness. This is folly. Nature always calls for assistance when needed to throw off impurities. With our habits of life, it is necessary to render this assistance. PRICKLY ASH BITTERS will not force nature, but acts mildly and renders the assistance required.

Answer This. Did you ever know any person to be ill without inaction of the Stomach, Liver or Kidneys, or did you ever know one who was well when either was obstructed or inactive; and did you ever know or hear of any case of the kind that Hop Bitters would not cure? Ask your neighbor this same question.

A Foolish Mistake. Don't make the mistake of confounding a remedy of merit with quack medicines. We speak from experience when we say that Parker's Ginger Tonic is a sterling health restorative which will do all that is claimed for it. We have used it ourselves with the happiest results for Rheumatism and when worn out by overwork. See adv.—Times.
