Mr. and Mrs. David Campbell, of Brownville, were at the Holdrege Monday.  
During the storm Sunday morning twenty-six women and children sought shelter in one little cave on Maxwell street.

Mrs. T. W. H. Miller, of Tecumseh, proprietor of the millinery store at this place, was in the city on Friday last.  
Dr. Jacques' German Worm Cakes stand unrivaled as a worm medicine. Give them a trial. Sold by all druggists. 2

Uncle George Harmon, of Tecumseh, well-known to every old settler in Nemaha county, was shaking hands with old friends in South Auburn this week.  
Uncle Sam's Nerve and Bone Liment is most efficient in rheumatism, bruises, burns, scratches and many other ills incident to man and beast. Sold by all druggists. 3

There will be the most brilliant display of fire-works fired from the court house square in Auburn, on the evening of the Fourth ever exhibited in Nemaha county, and the people for miles in any direction, can witness the exhibition by seeking some convenient hillside.

On last Saturday afternoon, we accepted an invitation from Col. Hutchins to be present at the field trial of the Walter A. Wood cord binder, on the farm of Shel. Cochran. We were driven to the scene of action by Mr. M. T. Conner, and at once repaired to the field. The trial took place in a field of heavy green rye, fully six feet in length. The machine was oiled and started by Amos Hughes, who seems to understand just how to handle it, and worked very successfully, only missing two bundles just at the start, and before the machine was fairly regulated, and then running fully 300 rods without a stop or missing a bundle. There were several neighboring farmers present and we all followed the machine around that forty-acre field watching and discussing the various interesting features, and at the close of the trial, all pronounced it a success, and thought that Walter A. Wood was truly the "Farmer's Friend," and had really "struck it rich" by inventing this farmer's machine.

## Nemaha City.

Bender has a fine stock of fruit jars. Go to the old reliable drug store for drugs and kinds of druggists' sundries. The Episcopal church needs painting. Garden truck is plenty and cheap. Nemaha Mills motor power is still drowned by back water.

Some good fish are now being caught out of the Nemaha with hook and line. The Nemaha Dramatics appeared before the public last Tuesday evening in the play "Enlisted for the War," and repeated the drama on Friday evening, to full houses. There are some very fair amateurs, and all did excellently.

Mrs. Mina Comstock took the cars Thursday morning last with her children, for Topeka, Kansas, where her husband is an engineer on a railroad.

The foundation for Billy Hoover's block is nearly finished. It seems to be a very substantial one. The mason work is being done by those veteran masons Tim. McLaughlin and Mr. Henry Hart, of Aspinwall.

There are several young lallygags here who will want to get married about the Fourth, and probably will unless providence should kindly interfere.

Deputy U. S. Marshal Guip went up the creek, Tuesday.

Nemaha has a good crop of weeds, as usual. Now is the best time to mow them.

Mr. Frank Harris, who has been station agent here for the past year, was ordered to another station and left last Thursday. Frank was popular here and everybody regrets his leaving.

The Times says, "it is rumored that two of the largest business houses in Brownville will move to Nemaha City as soon as Hoover's block is finished."

K. Skeen and J. F. Drain have dissolved partnership.

Nemaha City Lodge I. O. O. F. meets every Saturday night. R. Elliott is the present N. G., and F. H. D. Hunt, R. S.

There is an exceedingly interesting scandal, recently developed and now a popular topic of whispered conversation, in all circles in Brownville, especially in church circles, as the principal actor is a popular deacon in a popular church. The gist of the matter, so far as we learn, simply consisted in the deacon making love to his hired girl, she kicked and told the deacon's wife, the wife told the preacher, and the preacher told the wife to keep her mouth shut, as talking would only make it worse. The result, domestically, socially, religiously, fraternally, etc., will probably be known ere long. Preachers may cover up dirt in the churches, but wolves in sheep's clothing or devils masquerading in the livery of heaven, get exact justice, so far as THE ADVERTISER knows, but may expect little mercy.

"One of Them"  
Being a little ashamed of my story, "The trip to Atchison." I wish to say that the good people of Atchison could not help the rough road, the accident, or the heat, and in my attempt to make fun of these—the shady side of the trip—I carried my jest too far, and left the impression that all was a failure. In all candor I would say they treated us first-class. In fact I do not see how they could have done better, and I know we all felt gratified to them for the trip, pleasant visit, and kind hospitality. ONE OF 'EM.

### Money to Loan.

We can fill choice loans in three days. OSBORN & TAYLOR.

We received a pleasant call and a hearty hand-shake last Monday from our old-time friend Chas. G. Van, who is traveling for the old reliable house of John Meyer & Co., of Quincy, Ill. Mr. V. represents a reliable house and their goods are strictly first-class and will be just as he represents them. Come again Chas., our latch-string always hangs out.

The Distinguishing Charm.  
A delightful fragrance of freshly gathered flowers and spices is the distinguishing charm of Floreston Cologne.

Liver, Kidney and Bright's Disease.  
A medicine that destroys the germ or cause of Bright's Disease, diabetes, kidney and liver complaints, and has power to root them out of the system, is above all price. Such a medicine is Hop Bitters, and positive proof of this can be found by one trial, or by asking your neighbors, who have been cured by it.

\$1500 per year can be easily made at home working for E. G. Rideout & Co., 10 Barclay Street, New York. Send for their catalogue and full particulars. 191y

Take care of your Liver. A great number of the diseases to which mankind are liable arise from a disordered condition of this organ. Keep it in a sound and healthy condition and you can defy disease. Prickly Ash Bitters are especially adapted for this purpose, being composed of drugs which act on the Liver, giving it tone and strength to withstand malaria.

## Worth Remembering.

Now that good times are again upon us, it is worth remembering that no one can enjoy the pleasantest surroundings if in bad health. There are hundreds of miserable people going about to-day with disordered stomach, liver or kidneys, when a bottle of Parker's Ginger Tonic would do them more good than all the medicines they have ever tried.

Children have health and mothers rest when Dr. Winchell's Teething Syrup is used. It produces natural sleep, regulates the bowels, cures dysentery and diarrhoea arising from teething or other causes. Sold by all druggists at 25 cents a bottle. 7

A combination of Ferrous Sulphate of Iron, Peruvian Bark and Phosphorus is a palatable form of the only preparation that will not blacken the teeth, as characteristic of other iron preparations.

GENTLEMEN: I have used DR. HARTER'S IRON TONIC in my practice, and in the experience of twenty-five years in medicine, have never found anything to give the results that DR. HARTER'S IRON TONIC does. In many cases of Nervous Prostration, Female Diseases, Dyspepsia, and an impoverished condition of the blood, this tonic remedies, has in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians, have yielded to this great and inimitable remedy. I prescribe it in preference to any iron preparation made. In fact, such a compound as DR. HARTER'S IRON TONIC is a necessity in my practice.

DR. ROBERT SAMUELSON, St. Louis, Mo., Nov. 29th, 1881.
