wonderful were the works of God, we itation by the merry rippling of voices of reading matter. when there came by a party of young folks and stopped near us and began a whispered conversation. We knew then there was something going on, when a young man said: "I'll go and bring him, and when he asks you, you must not give him the mitten." And they said, "No we won't," The young man went.

What's the reason we cannot have a larger attendance at our Sunday school? Surely our young men must think that staying at home or lounging around on the corners whittling dry goods boxes is better than going to Sunday school and spending an hour in serving the Lord. Now, young men, cannot you say within yourself that I will attend and try to get others to go with me, and by so doing you will help build up our Sunday school. Let us now see how many can attend next Sunday and say that I will be on Lord's side. *.*

On the 14th of this month the subscription time of many of the original subscribers to the "Calvert Courier" will expire, and we solicit a renewal from all. THE ADVERTISER in taking the Courier's place came to do the work the Courier was started to do-to create and perpetuate the "boom" at the "center" and to speak for the people of the county generally in every good work. THE ADVERTISER WILL ever be found true to this trust, and all our friends are earnestly requested to renew their subscriptions, pay up delinquencies and stand by us.

The county superintendent has made arrangements for an institute for the purpose of instructing teachers on methods of teaching, which will be held at Brownville, beginning July 18th, and continuing two weeks. She will be assisted by Prof. Wilson, formerly principal of the Brownville School, Prof. Wightman, present principal, Mr. W. M. Clary, a practical country school teacher, and Miss Lou Tucker. Lectures will be given by some of the best educators the state affords. State Superintendent Jones will be present part of the time. No teacher in Nemaha county can afford to let this epportunity pass unimproved. Two dollars will be charged as a tuition fee to help defray expenses. An effort will be made to obtain board at four dollars per week.

Owing to the hot weather last Wednesday evening the concert by Miss Ida Shutts, at Samuelson's hall, was not very well attended, but those who did attend were well paid for doing so, for it was a grand musical treat. Miss Shutts has no superior as a planist, and of course pleased her hearers immensely, and her pupils, without exception did well, showing excellent skill in the manipulation of the ivorys, and proving that their training had been firstclass. We were surprised to see Misses Mary (Toot) Hoover, Cora Ponn and Stella Hetzel, the youngest of the pupils, whom we have always considered little girls, such skillful performers at the piano. Mrs. Belle Bailey, who is well-known here as an excellent singer, Mr. J. J. McCullough, of Nebraska City, who can't be beat as a tenor, and Miss Celia Furnas an excellent contralto, of Brownville, were especially good, and added variety to the occas-

We notice amongst a late list of postoffice appointments, that Clarence E. Claggett is finally re-appointed postmaster at Johnson, this county. As to who is or is not p. m. at that place doesn't matter much as it is not worth more than fifteen or twenty dollars a month, and the matter to us is interesting only in the fact that our "delinquent congressman" worked all winter in Washington to have some other man besides Clagett appointed, when a signal failure seems to be the result. Tom is a stalwart, too, you know, but we wouldn't give a d-- for any stalwart who couldn't have influence enough with this administration to procure our appointment to a fifteen dollar p. o.

We were pleased to see our aged Uncle Billy Cummings and Aunt Lydia, of Nemaha, at the celebration on the town, was struck by lightning last Sun- 4th. They are about 80 years old and have seen many big celebrations, but they pronounced this one amongst the largest they ever saw. And Uncle Billy said we have a nice town.

THE ADVERTISER never misses an ssue on account of holidays. We had the pleasure of meeting and smoking with J. J. Bender, the Nemaha City druggist, on the 4th. Mrs. Bender accompanied him and they staid and saw the fire-works.

H. W. Lake, owner of the Leadville water-works, Homer and Frank Johnson and David Campbell, of Brownville, were in the city Wednesday.
