One Dr. S. A. Richmond, of St. Joseph, Mo., who advertised "Sarmarian Nerve" extensively, is advertised by various papers as a swindler. The Dr. offered us his advertisement, but we were protected by some sort of providence, and he doesn't owe us anything. C. B. France, president of the Savings Bank at St. Joe, is about as mean as Richmond, for writing a letter indorsing him, and which materially assisted him in his dishonorable business.

We were delighted to greet Hon. C. M. Hayden and wife and Miss Hattie Smith, parents and sister of Mrs. Ada Fairbrother, who arrived in this city from Concordia, Kansas, Friday evening. They came across the country by team and had a splendid trip, excepting on the second day out when they encountered a small cyclone, which did them no damage other than to blow the cover off their wagon and give them a good drenching. Mr. H. returned as far as Beatrice on Saturday, but the ladies will remain and visit with friends for some time.

The B. & M. company have on sale at Auburn round trip tickets to Denver, Pueblo and Colorado Springs for \$30, which will be on sale from July 15 to Sept. 31, good to return until October 31st. Persons wishing to visit the Geological Exposition at Denver will do well to get their tickets via the B. & M.

Rev. Freytag, who has been living in the back part of his store since he has been in the city has removed to the residence recently built by John Frerichs. He has also enlarged his store room by removing the partition thus making room for more goods.

Two gentlemen, one from Omaha and the other from Council Bluffs, were in the city Tuesday, with a view to starting banks. If they both come and Mr. Carson comes and Sweet comes and the Nemaha County Bank and the Bank of Auburn stay, we do not see why a poor printer need worry.

**D. HARTER'S
IRON TONIC**
A combination of Ferrous Sulfate of Iron, Peruvian Bark and Phosphorus in a palatable form. The only preparation of iron that will not blacken the teeth, so characteristic of other iron preparations.
GENTLEMEN: I have used DR. HARTER'S IRON TONIC in my practice, and in an experience of twenty-five years in medicine, have never found anything to give the results that DR. HARTER'S IRON TONIC does. In many cases of Nervous Prostration, Female Diseases, Dyspepsia, and an impoverished condition of the blood, this peerless remedy, has in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians, have yielded to this great and inimitable remedy. I prescribe it in preference to any iron preparation made. In fact, such a compound as DR. HARTER'S IRON TONIC is a necessity in my practice.
