Dr. B. Bell Andrews, of Nemaha City, has his office at his residence, where he is prepared to treat acute and chronic diseases. Pleasant waiting rooms for patients. Surgical diseases of women a specialty. His success as a surgeon is well known from cases in this vicinity operated upon with permanent relief.

Matthiesen, the blacksmith, sometime since let the contract for the digging of a well to James Buckley, the price to be paid being \$125 when a fair supply of water was found. Jim went to work and went down 65 feet when he encountered a layer of solid rock, which, after being drilled and blasted for several days showed no signs of giving out, and Jim in despair gave it up as a bad job. Recently Matthiesen re-let the contract for \$65 and the new contractor found water just eighteen inches below where Buckley left off. Jim is rather out of humor about it, and no wonder.

Worth Remembering.

Now that good times are again upon us, it is worth remembering that no one can enjoy the pleasantest surroundings if in bad health. There are hundreds of miserable people going about to-day with disordered stomach, liver or kidneys, when a bottle of Parker's Ginger Tonic would do them more good than all the medicines they have ever tried.

Uncle Sam's Condition Powder prevents disease, purifies the blood, improves the appetite, gives a smooth glossy coat, and keeps the animal in good condition. All druggists sell it. 8

Uncle Sam's Nerve and Bone Liment is most efficient in rheumatism, bruises, burns, scratches and many other ills incident to man and beast. Sold by all druggists. 3

Nickell, the Brownville druggist, has an immense stock of paints, oils, glass, also wall paper and window shades, which he is selling at exceedingly low prices. If you want anything in the above line do not fail to get his prices as it will save you money.

Dr. Jacques' German Worm Cakes stand unrivaled as a worm medicine. Give them a trial. Sold by all druggists. 2

When horses and cattle are spiritless, scraggy and feeble they need treatment with Uncle Sam's Condition Powder. It purifies the blood, improves the appetite, cures colds, and distemper, invigorates the system and will keep the animal in a healthy, handsome condition. 4

Children have health and mothers rest when Dr. Winchell's Teething Syrup is used. It produces natural sleep, regulates the bowels, cures dysentery and diarrhoea arising from teething or other causes. Sold by all druggists at 25 cents a bottle. 7

Because it is beneficial to the scalp and adds to personal beauty by restoring color and lustre to gray or faded hair, is why Parker's Hair Balsam is such a popular dressing.

Do not neglect a cough or cold until it is too late, try Eiert's Extract of Tar and Wild Cherry, we are sure you will be convinced of its merits, chronic coughs, and even consumptives are cured by following the directions, every bottle is warranted to give satisfaction. 1

The Independents of Pennsylvania, by rejecting the proposition of the regulars, to withdraw both tickets and hold a joint convention, in which the claims of candidates should be submitted, have most clearly demonstrated that they are precisely what every well wisher of Republican party before believe them to be—the rule or ruin party.

Take care of your Liver. A great number of the diseases to which mankind are liable arise from a disordered condition of this organ. Keep it in a sound and healthy condition and you can defy disease. Prickly Ash Bitters are especially adapted for this purpose, being composed of drugs which act on the Liver, giving it tone and strength to withstand malaria.

Uncle Sam's Nerve and Bone Liment is for man and beast and is a balm for every wound. Sold by all druggists. 5

A Delightful Novelty.

Ladies prefer Floreston Cologne because they find this lasting combination of exquisite perfumes a delightful novelty.

Any person with a cough cold, or any bronchial complaint or even in the first stage of consumption will be relieved and cured by Eiert's Extract of Tar and Wild Cherry. It is especially prepared for Bronchial complaints. Thousands who have tried it now live to testify of its merits—give it an immediate trial you will be surprised at the result. 6
