Every good, enterprising citizen patronizes his local paper. Those who do not are of little account anywhere.

A newspaper is an institution that a new town cannot do without and prosper, yet there are always some who are to stingy to patronize it.

After a recent "championship" boat race at Manchester, N. H., Mr. Courtney, just for fun, went to work and beat the time that had been made.

Nelson Hoag, of Warsaw, Ind., has been sentenced to the penitentiary for four years for bastardy, the prosecuting witness being his step-daughter.

W. A. Townsend and W. F. Eaton, two of Tecumseh's lively gentlemen, darkened the door of our den with their genial countenances last Monday.

The Presbyterian church of Philadelphia, recently voted 11 to 6 that the use of instrumental music in church is destructive to the harmony of worship.

Mr. James K. Curzon, familiarly known as "Tug Wilson," the lightweight pugilist of South Auburn, was rusticated in the "rooral deestricts" of Brownville last week.

The large tank of the B. & M. railroad is finished, and now the "iron-horse" will quench his thirst with pure water here, instead of out of the "Big Muddy" at Brownville.

Mr. F. E. Richwine, of Anderson, Ind., was in the city last Saturday visiting friends, and gave us a pleasant call. He is favorably impressed with the outlook of Auburn.

It is comforting to say the least, to view the immense corn fields and the thousands of hay stacks in the vicinity of Auburn. All that come may find plenty for man and beast.

The grade of the Missouri Pacific from House to Papillion, about one mile, is completed, and M. P. trains are running over its own track into the latter place where it joins the U. P. This will give Papillion a boom.

B. Gratz Brown, of Missouri, and ex-Democratic candidate for president, is working for prohibition in Indiana. Brown had better come to Nebraska and learn that a man cannot be a good Democrat and a temperance man at the same time.

Ed. Elliott, of the firm of Hutchins & Elliott, departed for Rushville, Mo., last Thursday, where he will visit the family of his father a short time, and then go to Canton, Mo., and enter the college at that place during the winter term of school.

Mr. Joseph Loveless last spring purchased from Mr. Darr, of Des Moines, one and one-third pounds of Parson's Prolific potatoes, a late and new variety, a little earlier than the Peach Blow. He planted the seed and gave them only moderate attention; and has just dug 86 pounds or 1 1/2 bushels as the product. Mr. L. says they are a fine large potato, beautiful and delicious.

An official of the First National Bank of Brownville, informs us that the bank during the week ending September 30th ult., did a larger business than any previous weeks of its eleven years of existence. And that the bank had shipped in, for home uses, within a few weeks \$45,000. This shows great confidence in the bank, and that the banking business, at least, is "yet good in Brownville. The large amount of cattle being handled, and brought to the county as feeders, is the principal cause, we believe, of the large business during the week mentioned.

Employment For Ladies.

The Queen City Suspender Company, of Cincinnati, are now manufacturing and introducing their new Stocking Supporters for Ladies and Children, and their unequalled Skirt Suspenders for Ladies. None should be without them; our leading physicians recommend them, and are loud in their praise. These goods are manufactured by ladies who have made the wants of ladies and children a study, and they ask us to refer them to some reliable and energetic lady to introduce them in this county, and we certainly think that an earnest solicitation in every household would meet with a ready response, and that a determined woman could make a handsome salary and have the exclusive agency for this county. We advise some lady who is in need of employment to send to the Company her name and address, and mention this paper. GENTLEMEN: I have used Dr. HARTER'S IRON TONIC in my practice, and in an experience of twenty-five years in medicine, have never found anything to give the results that Dr. HARTER'S IRON TONIC does. In many cases of Nervous Prostration, Female Diseases, Dyspepsia, and an impoverished condition of the blood, this peerless remedy, has in my hands, made some wonderful cures. Cases that have baffled some of our most eminent physicians, have yielded to this great and incomparable remedy. I prescribe it in preference to any iron preparation made. In fact, such a compound as Dr. HARTER'S IRON TONIC is a necessity in my practice.
