Nickell, Reliable Druggist.

The Chicago Theatrical Company is showing to good houses in Brownville this week.

Read "The Ancient Poets" by the musical editor of the Brown Medicine Company, in this issue.

Wonder if Ben. Sanders remembers the letter of congratulation he wrote the Hon. Church Howe?

Mr. A. W. Nickell, the old reliable druggist of Brownville, was in the city on business Monday last.

Geo. Arkright, of Brownville, came out to the center Sunday. He left for Kansas City at 10:30 p. m.

Geo. Moore and Tom Shurtz, two of South Auburn's business men, spent last Sunday in Brownville.

Mr. Jacob Good, of Lafayette precinct, candidate for representative, gave us a pleasant call Monday.

Mr. J. B. Strods, candidate for district attorney of the 2nd judicial, gave us a pleasant call last Thursday morning.

Well, the democratic-sore-head-republican-independent-mongrel child was born Monday. What do you think of it?

J. K. Curzon went to Brownville last Sunday, where he will remain until Mr. Arkright's return from Kansas City.

A child of Pat. Killkoyne fell against a hot stove, Monday morning, and was badly burned about the face, arms and breast.

J. W. Darrah and wife, just from the Cheyenne, arrived in the city last Saturday evening, and will remain for several days.

John C. Thompson, the genial editor of the Brownville Republican, was in the city last Monday, taking notes at ye sore-head convention.

Miss Lou, Clancy, who has been visiting her father and brother here for a short time, departed for her home in Chicago last Saturday morning.

We noticed an unusually stir on our railroad Sunday. Wonder what it can mean? Hope it's a "boom." We have many Micauber's here these times.

We call attention to the fine note head gotten up for Osborn & Taylor by our job printer, at this office. No office in the state holds over THE ADVERTISER in such work.

Ted. Huddart and wife, the genial host and hostess of the Holdrege, attended a theatrical performance at Brownville Monday last. Ted, said it was the "boss," and the best troupe that has ever visited Brownville.

Charley Strong, of Brownville, met with a serious accident one day last week. His team of donkeys ran away with him throwing him from his wagon and breaking his leg badly in two places, between the ankle and knee.

We hear that the crushed leg has been amputated. Poor Charley, he has furnished Brownville with big cat-fish and chair bottoms so long. We are sorry that whisky has finally got away with him, or part of him at least.

LATER—Dr. B. Bell Andrews was called Monday and amputated the crushed limb, but it was too late. Mortification had set in and the patient died on Tuesday.

Little Brother and Sister in One Grave.
Nothing can be more touching sad than to carry a little one from the family circle and leave it in a lonely grave. How doubly sad, when two from the family group are laid away together in one grave. Such a mournful event has taken place in the family of John Lorelen, of North Auburn. He had a family of seven bright interesting children—but two of them were buried in the same grave, Monday, October 10th, bright little Frankie, of three years; and sweet little Rachel, of nine years are gone with the angels. Diphtheria has been in the family for some weeks, but it is thought that they would all recover, but two are gone. Brief services were held at the house and grave, and on November 5th, there will be funeral services conducted by Rev. John Swan at the Methodist church in North Auburn. Oh, it is so hard for the mother to have her babes taken from her arms and laid away in the silent grave. May these fond parents, into whose household the death messenger has come and claimed their darlings, and to whom the attractions of earth seems to lessen, may the attractions of the spirit world, where now dwell their departed children, grow brighter and dearer, and they each day be preparing for the departure from earth which shall take them to the embrace of their little ones.

And may the remaining five brothers and sisters sing like the little maiden in the song, "Though two in the church yard lie, yet we are seven." Not parted forever—yet one family—five on earth, two in heaven—"we are seven." Much sympathy is extended to all the relatives of these lonely, departed children.

Brown's Moore.

"Twas ever thus, since childhood's hour I've seen each stomach-ache decay, And when I felt dyspepsia's power, Brown's Pepsin Tonic drove't away."
Lal Lal Rookh.

When horses and cattle are spiritless, scraggy and feeble they need treatment with Uncle Sam's Condition Powder. It purifies the blood, improves the appetite, cures colds, and distemper, invigorates the system and will keep the animal in a healthy, handsome condition.

Any person with a cough cold, or any bronchial complaint or even in the first stage of consumption will be relieved and cured by Eilert's Extract of Tar and Wild Cherry. It is especially prepared for bronchial complaints. Thousands who have tried it, now live to testify of its merits—give it an immediate trial you will be surprised at the result.

Liver, Kidney and Bright's Disease.

A medicine that destroys the germ or cause of Bright's Disease, diabetes, kidney and liver complaints, and has power to root them out of the system, is above all price. Such a medicine is Hop Bitters, and positive proof of this can be found by one trial, or by asking your neighbors, who have been cured by it.

A Valuable Addition.

Because it is beneficial to the scalp and adds to personal beauty by restoring color and lustre to gray or faded hair, is why Parker's Hair Balsam is such a popular dressing.

Take care of your Liver. A great number of the diseases to which mankind are liable arise from a disordered condition of this organ. Keep it in a sound and healthy condition and you can defy disease. Prickly Ash Bitters are especially adapted for this purpose, being composed of drugs which act on the Liver, giving it tone and strength to withstand malaria.

Dr. B. Bell Andrews, of Nemaha City, has his office at his residence, where he is prepared to treat acute and chronic diseases. Pleasant waiting rooms for patients. Surgical diseases a woman's specialty. His success as a surgeon is well known from cases in this vicinity operated upon with permanent relief.
