When horses and cattle are spiritless, scraggy and feeble they need treatment with Uncle Sam's Condition Powder. It purifies the blood, improves the appetite, cures colds, and distemper, invigorates the system and will keep the animal in a healthy, handsome condition.

Any person with a cough cold, or any bronchial complaint or even in the first stage of consumption will be relieved and cured by Ellert's Extract of Tar and Wild Cherry. It is especially prepared for bronchial complaints. Thousands who have tried it, now live to testify of its merits—give it an immediate trial you will be surprised at the result.

Liver, Kidney and Bright's Disease. A medicine that destroys the germ or cause of Bright's Disease, diabetes, kidney and liver complaints, and has power to root them out of the system, is above all price. Such a medicine is Hop Bitters, and positive proof of this can be found by one trial, or by asking your neighbors, who have been cured by it.

A Valuable Addition.

Because it is beneficial to the scalp and adds to personal beauty by restoring color and lustre to gray or faded hair, is why Parker's Hair Balsam is such a popular dressing.

Take care of your Liver. A great number of the diseases to which mankind are liable arise from a disordered condition of this organ. Keep it in a sound and healthy condition and you can defy disease. Prickly Ash Bitters are especially adapted for this purpose, being composed of drugs which act on the Liver, giving it tone and strength to withstand malaria.
