NOTICE: Whereby given, that sealed proposals will be received at the office of the County Clerk...

THE BLUES AND THE REDS FOR THEM.

One of the direst ills that can befall a man among the thousand ills that flesh is heir to, is a predisposition to melancholy...

Generally speaking, if you are troubled with the blue devils, and cannot tell why, you may be certain that it springs from physical weakness...

Try, therefore, to set your blood in motion. To effect this, don't go to guffing down brandy-smashes, sherry-cobblers and gin-cocktails...

An old gentleman of our acquaintance, who, in the course of a hundred fights with the blue devils, tells us that he early learned a secret...

but action—vigorous exercise—society—earnest resolve—the "quills and cranks and wanton wiles" of old Fuller, or Jean Paul, or Charles Lamb...

As to bad weather, don't become a slave to it, for it will rule you like a tyrant. There is no man so pliable as he who has a constitution servile to every skyey influence...

In conclusion, whatever your misfortune or trials do not give up to the blue devils—do not let despair have you on the hip...

GREAT MEN WHO ROSE FROM THE RANKS.

From the barber shop rose Sir Richard Arkwright, the inventor of the spinning jenny, and the founder of the cotton manufacture of Great Britain...

ORIGIN OF FASHIONS.

Lola Montez, in a late lecture on fashion, said: "The history of fashion would show that Satan has had the department on his peculiar charge for all ages...

The history of fashion would show that Satan has had the department on his peculiar charge for all ages. Peter the Great was foolish enough to believe that the tailor was the person who had fashions in charge...
