**TESTIMONY OF A PHYSICIAN.**  
Extract of a letter dated Pittsburgh, Jan. 17, 1892: "I will say that your Mustang Liniment is the best Liniment I ever used, I have used it in my own case, along the lower part of the spine, for spinal irritation, with complete success. I used it a few nights ago when I was perfectly crooked, and my back in complete torture, from what the books would call Ophthalmic condition of the muscles, which you know is about as bad as 'lock-jaw.' It gave immediate relief, and in the morning I could bend like a gutta serena man, and with a little pain. The medical profession, you know, have a great objection to these kinds of remedies, but from a knowledge of the ingredients of the Mustang Liniment, I would have no hesitation in recommending it, wherever a remedy to relieve pain is indicated. I have recommended it in a number of cases in my own practice, and as far as I can learn it has acted with equal celerity and certainty as in my own case. Hoping that it may be used for and drive away pain, wherever it exists, and that it may remunerate you well for your exertions in bringing so valuable a remedy before the public. Truly yours,
